BOYS' STATE of kansas

1967

GIB MANTEY

The final session of the 1967 session of the American Legion Boys' State of Kansas was accomplished when the flag of our country was honored and lowered, at about 11:30 a.m., June 10, 1967.

Soon after the final retreat the 1,100 delegates, 80 counselors, and 35 advisors made preparations to depart for their homes and usual avocations.

This annual is dedicated to the largest Boys' State ever held in Kansas, and evidently one of the most successful. We of the American Legion sincerely hope that you young men who were delegates and counselors, gained from this session a better understanding of our form of government and through this knowledge will be better prepared to take your places as leaders in your community, state and nation.

It is a pleasure for me to express the sincere appreciation of myself and the Board of Directors of the American Legion Boys' State Corporation, to the Legionnaires who gave of their time and experience to the successful operation of the past session. Especially are we indebted to those Legionnaires and counselors who spent the entire week assisting in this government-in-action program.

With this type of cooperation and an expanded participation we can surely expect to make each session more efficient and profit from our experience.

Gib Mantey
Executive Director

It has been a great pleasure to serve as the Governor of Boys' State this week. The honor and fun of associating with these boys alone has made this week profitable.

As this week moved rapidly to a close, the Staters began to realize the problems of government and gained a deeper appreciation of this, the best form of government. The boys also learned things, such as parliamentary procedure, which they had never understood before.

As a Stater, let me say that we all appreciate the work of the leaders and members of the American Legion. We are deeply indebted to the American Legion for the dedication and hard work which has symbolized this entire program. We can only attempt to repay this debt by informing our sponsors and our communities of this fine work.

BOYS' STATE HISTORY

PARTY RALLYS IN MURPHY HALL

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (department meaning 'state' in the Legion organization).

Kansas, holding charter number 5, was among the first to institute the week-long government inaction training program. Within these past 30 years, virtually every state Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall.

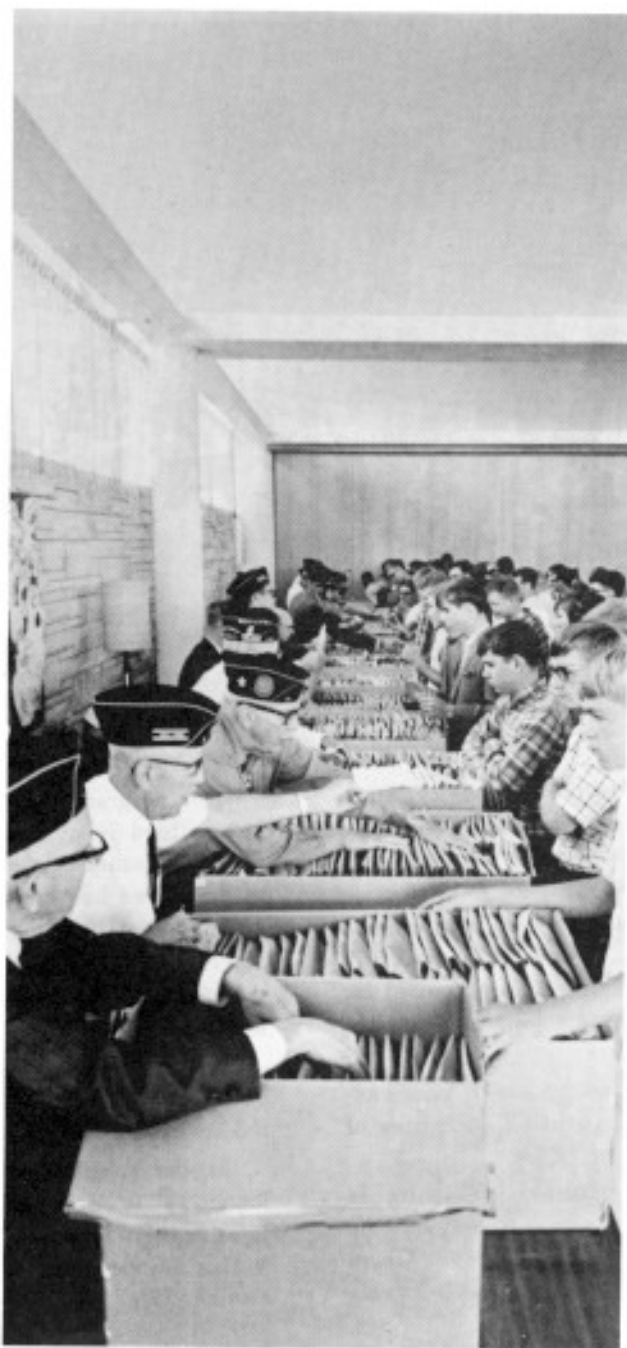

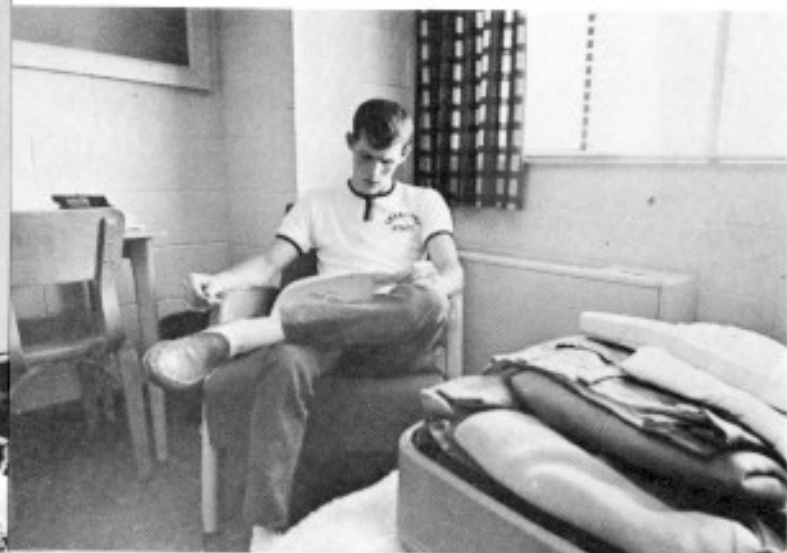

The program is no longer limited numerically by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as Legion posts sponsor delegates.

Over 16,000 Kansas boys--the 1,104 delegates this year bringing the total to 16,532--have participated in Boys' State, performing during each session every function of government, on city, county and state levels.

Selected former Staters--100 of them--return as counselors to Boys' State, and are assisted in its direction by 50 Legionnaire advisors and Executive Director Gib Mantey.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys' Nation, which convenes later in the summer in Washington, D. C. Kansas delegates to 1967 Boys' Nation are Governor D. Scott Ross and Ty Cobb, the Federalist Governor nominee.

GETTING SETTLED

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m., Tuesday.

We splashed our names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

Perhaps most important, we learned that only one can win, but many must lose. And we who lost proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

For as we left Tuesday night's general assembly whether victorious or defeated, we united behind our party standard. . . vowing victory for our candidates, our declared platform goals.

Roaring 'two-bits, four-bits, six-bits, a dollar' until we shook Murphy Hall, we hauled down our losing primary signs and began the big push behind our candidates for Wednesday's general election.
