BOYS' STATE '69

Director's Message

I would first like to commend all of our Advisors; members of the American Legion Department of Kansas; members of the Lawrence American Legion Post #14 and the American Legion Auxiliary for their hard work during the Governor's Ball; the Counselors for their part in leading their "peers" in this all important program.

1180 staters, 105 counselors and 37 advisors witnessed the lowering of our flag to close the largest Boys' State to date, this date June 7, 1969.

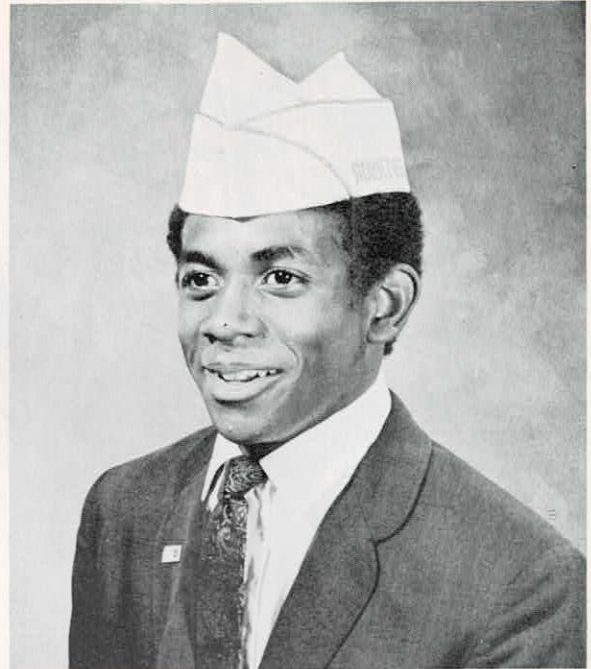

As your Director I wish to express many thanks and good health, happiness and success in the future.

Dino J. Spigarelli

Governor's Message

Boys' State is the American Legion Government in action training program. These veterans of foreign wars each year give high school juniors the opportunity to rise to the highest level. Staters use their total capabilities to come out number one, whether it be best country or governor of his state. I didn't think much of Boys' State before I came. I was told that it wasn't much of an operation. However, at the end of a Boys' State session I challenge anyone to show where the State is not beneficial in building MEN not boys. The most important quality is not in the training program or the acclaim that a Stater receives. It is in lasting friendships free of prejudice and bad feelings. Hypocrisy among Staters is non-existent. Real friendships are made, those that are never forgotten. Along with pride in yourself, your community and your nation, knowledge of fellow men raise Boys' State to gigantic heights. Patriotism is not taught but felt by each Stater that makes his stay meaningful. I thank all of those who helped me make my stay the greatest experience of my life.

Neal Robinson

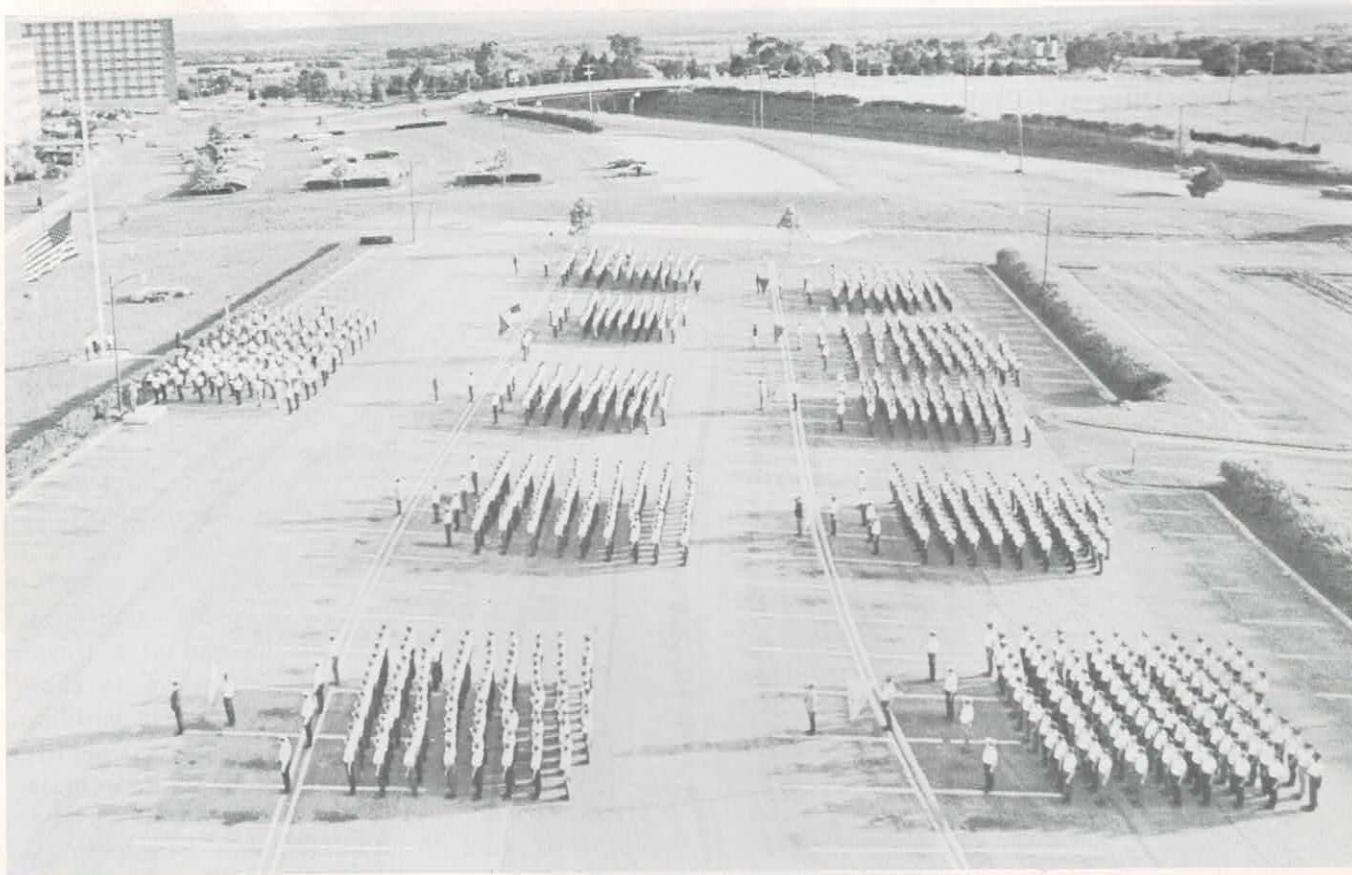

BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (Department meaning 'state' in the American Legion organization).

Kansas, holding charter number 5, was among the first to institute the week-long government-in-action training program. Within these past 30 years, virtually every state American Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved Boys' State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall, and in 1968 a portion of Ellsworth Hall was used.

The program is no longer limited numerically by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as American Legion posts sponsor delegates.

Over 17,000 Kansas boys--the 1180 delegates this year bringing the total to 18,882 have participated in Boys' State, performing during each session every function of government, on city, county and state levels.

Selected former Staters--100 of them--return as counselors to Boys' State, and are assisted in its direction by 50 Legionnaire advisors and Executive Director, Dino Spigarelli.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys Nation, which convenes later in the summer in Washington, D.C. Kansas delegates to 1969 Boys' Nation are Jerry Petruzzelli and Steve Butterfield, and Alternates Zachary Ruhl and Alan Sims.

GETTING SETTLED...

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

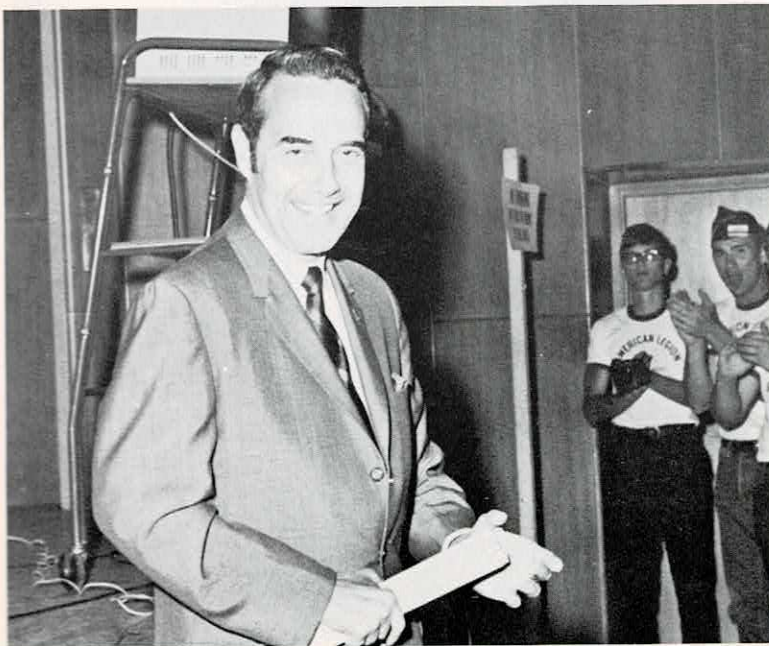

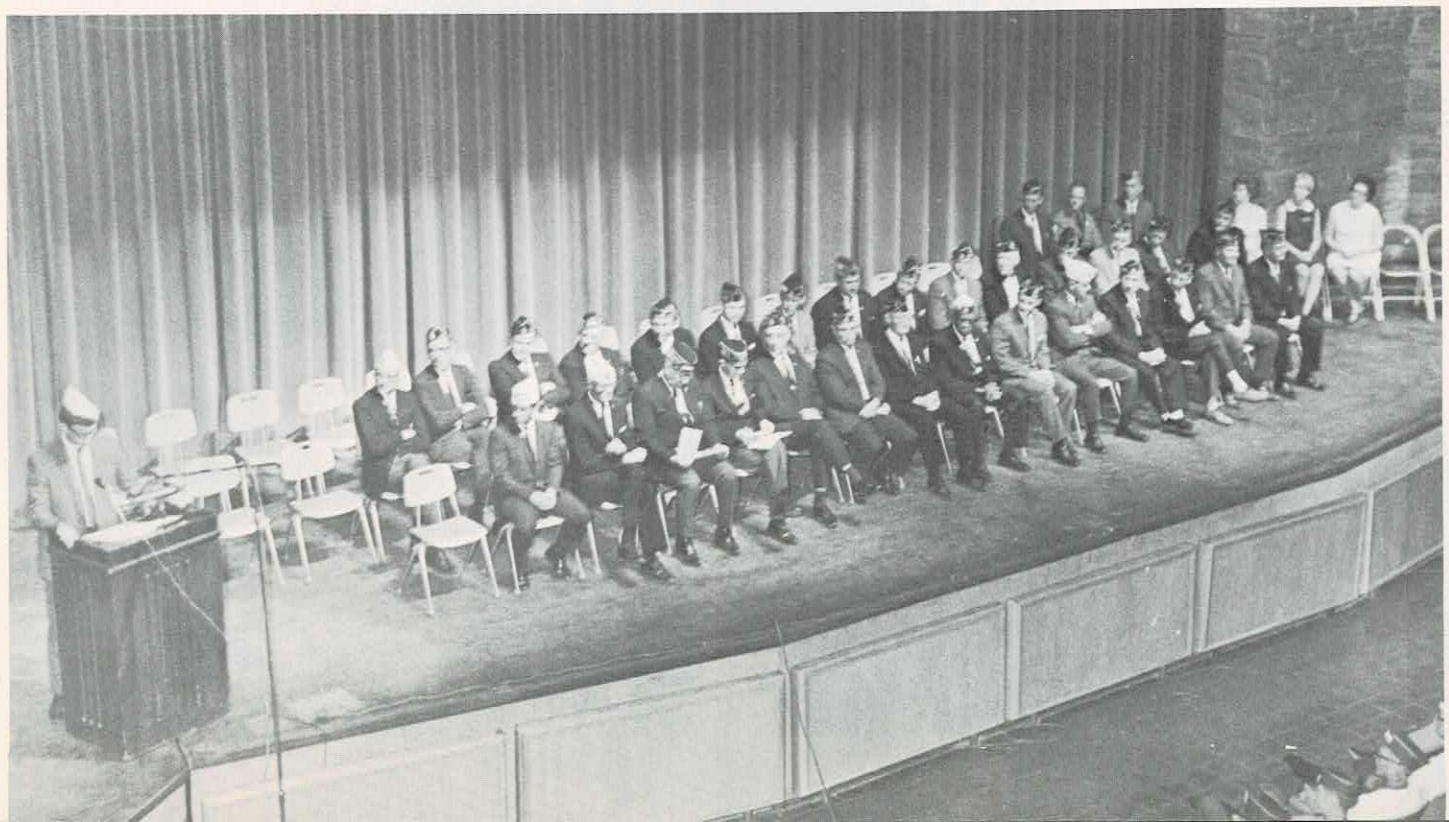

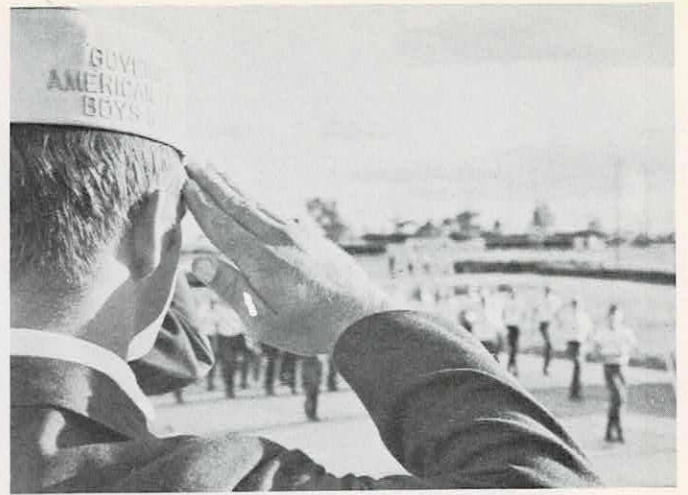

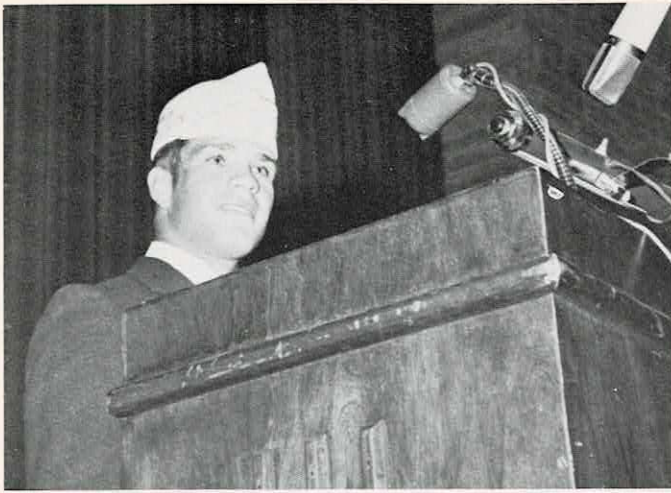

OPENING SESSION

Retreat, passing in review, assembly. Legionnaires, visitors and staff helpers. All a part of Boys' State. A special visitor Miss Kansas, Kandee Klein and Kansas Dept. Commander of the American Legion, Al Grauerholz.

CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m. Tuesday.

We splashed out names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

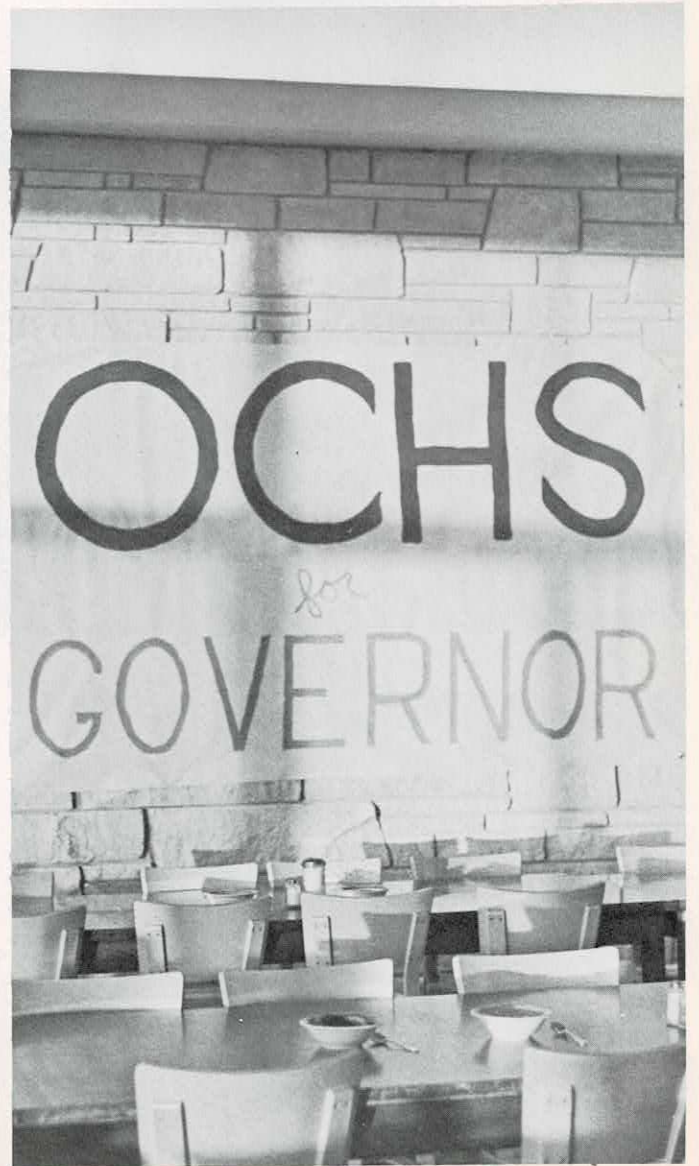

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

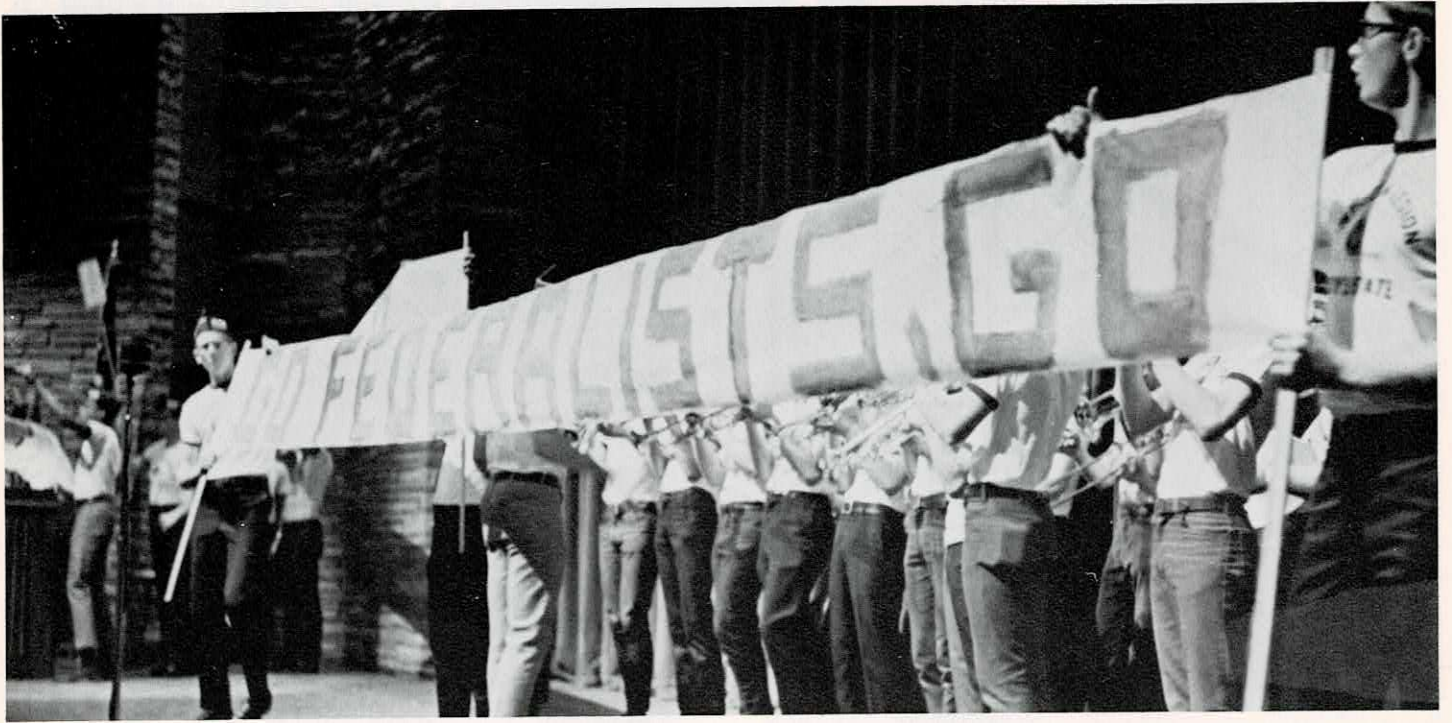

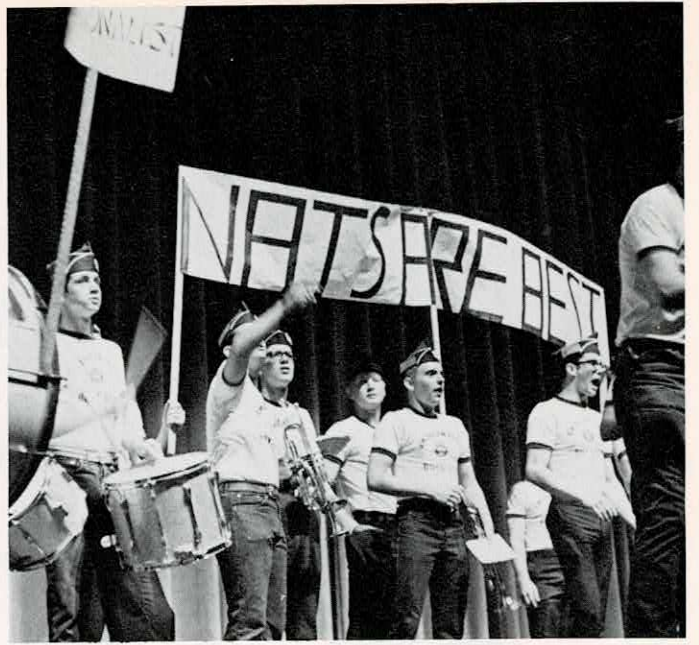

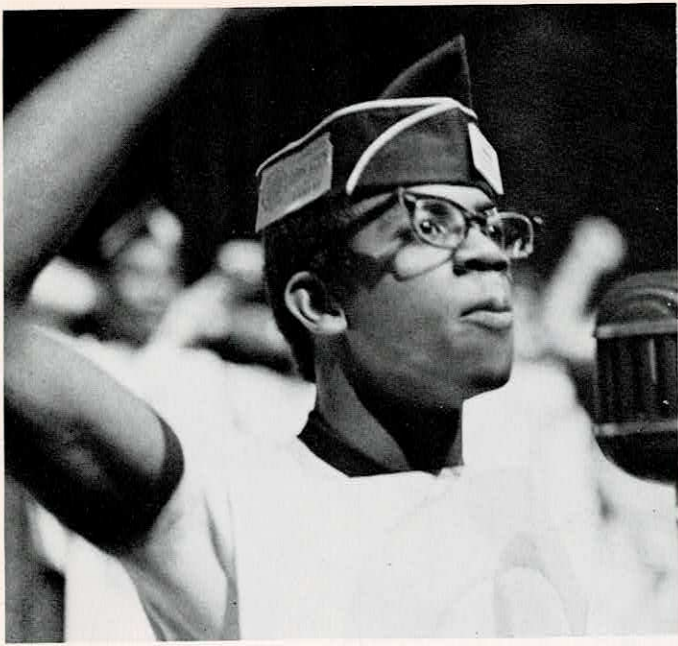

Perhaps most important, we learned that only one can win, but many must lose. And we who lost, proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

For as we left Tuesday night's general assembly, whether victorious or defeated, we united behind our party standard...vowing victory for our candidates, our declared platform goals.

Roaring "two-bits, four-bits, six-bits, a dollar" until we shook Murphy Hall, we hauled down our losing primary signs and began the big push behind our candidates for Wednesday's general election.

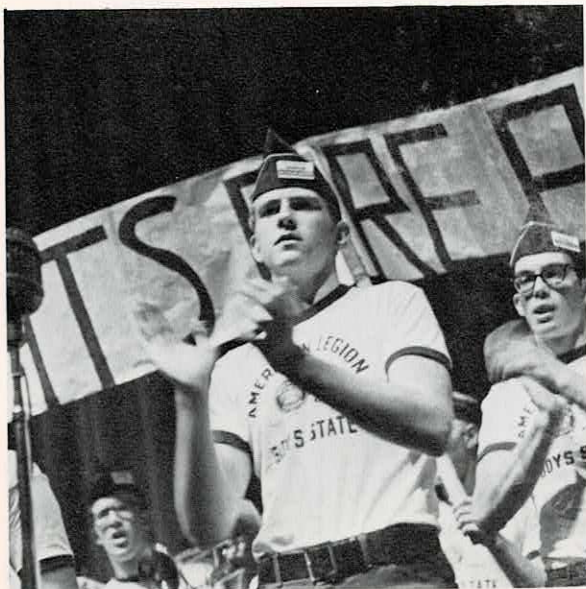

And

MORE CAMPAIGNS

Both parties, the Federalists and Nationalists, campaigned for their party candidates. Each party chairman organized a vigorous campaign to win votes for their party.

PRIMARY RESULTS

Today the delegates to the American Legion Boys' State of Kansas selected party nominees for major state offices in a primary election at their annual government-in-action training program on the campus of the University of Kansas. Chosen by the Nationalist Party to head their slate of candidates as governor was Jeff Anderson while the Federalist picked Neal Robinson as their nominee for governor of Boys' State.

Voting in the primary culminated a tough battle for over 100 Staters competing for 18 positions on Wednesday's general election ballot. Other state candidates include the following:

Lt. Governor:

F. - Alan Sims

N. - Zach Ruhl

Attorney General:

F. - Gary Unruh

N. - Steve Butterfield

Secretary of State:

F. - Junior Lee Goodwin

N. - Barry McCormack

State Treasurer:

The results were announced during the evening assembly. After the announcement the parties joined in support of their respective candidates in 20-minute rallies. The hall rocked with cheers and slogans as the parties competed to show their superiority.

YOUR VOTE COUNTED....

We voted in our cities Wednesday afternoon and our election boards tallied the votes so that the winners could be announced that night.

Then, with the traditional request "Will you please escort the new Governor of Boys' State to the platform?" Dino Spigarelli, Executive Director of Boys' State and Grant Lane, Associate Director, escorted the new Governor, Neal Robinson, to the platform (upper right).

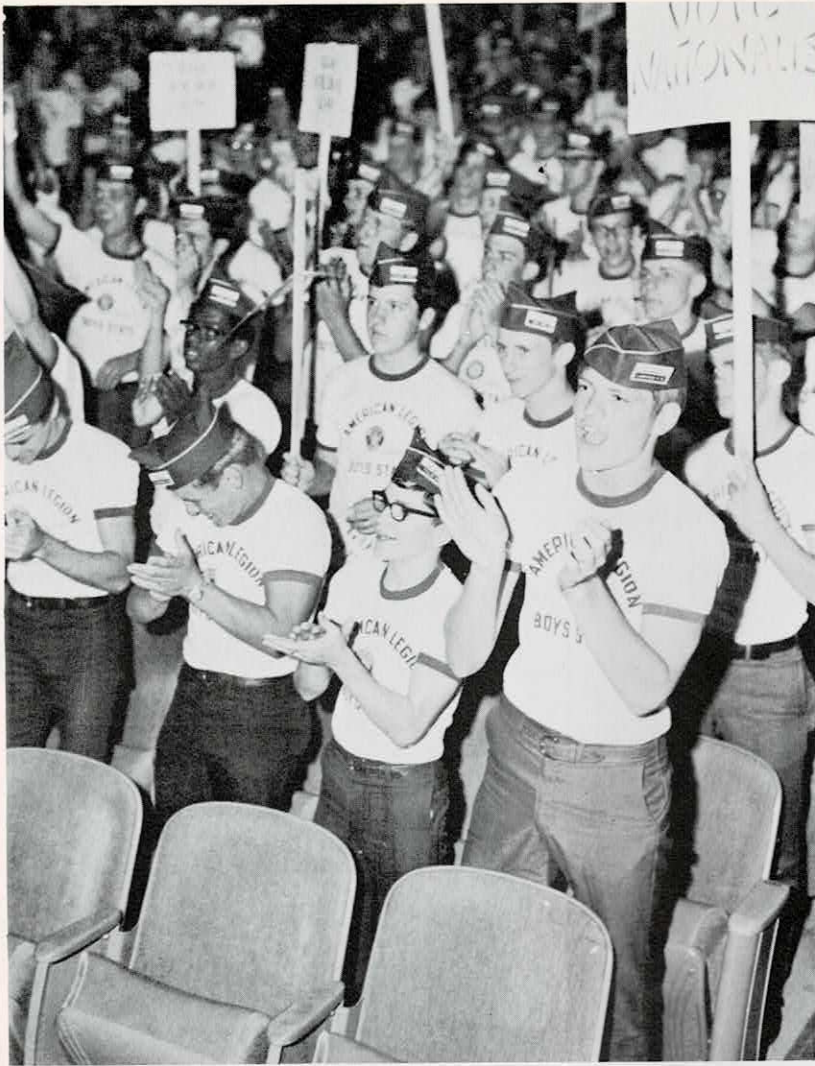

....AND THE RESULTS

This afternoon the delegates to the 32nd annual American Legion Boys' State of Kansas elected Neal Robinson, 2505 N. Estelle, WICHITA, as governor of the government-in-action program being held on the University of Kansas campus. The long-awaited announcement came at the evening assembly in Murphy Hall.

The Federalist governor, son of Mr. and Mrs. Neal Robinson, was sponsored by the East Branch Kiwanis Club of Wichita. Neal was president of his junior class at Heights High School and also participated in debate and track. He is now president of his Scout Post, president of his church youth group, and a Communicant of Zion Lutheran Church. After graduation from high school, Neal plans to attend the Air Force Academy in Colorado Springs, Colorado.

YOUR LEGISLATURE CONVENES

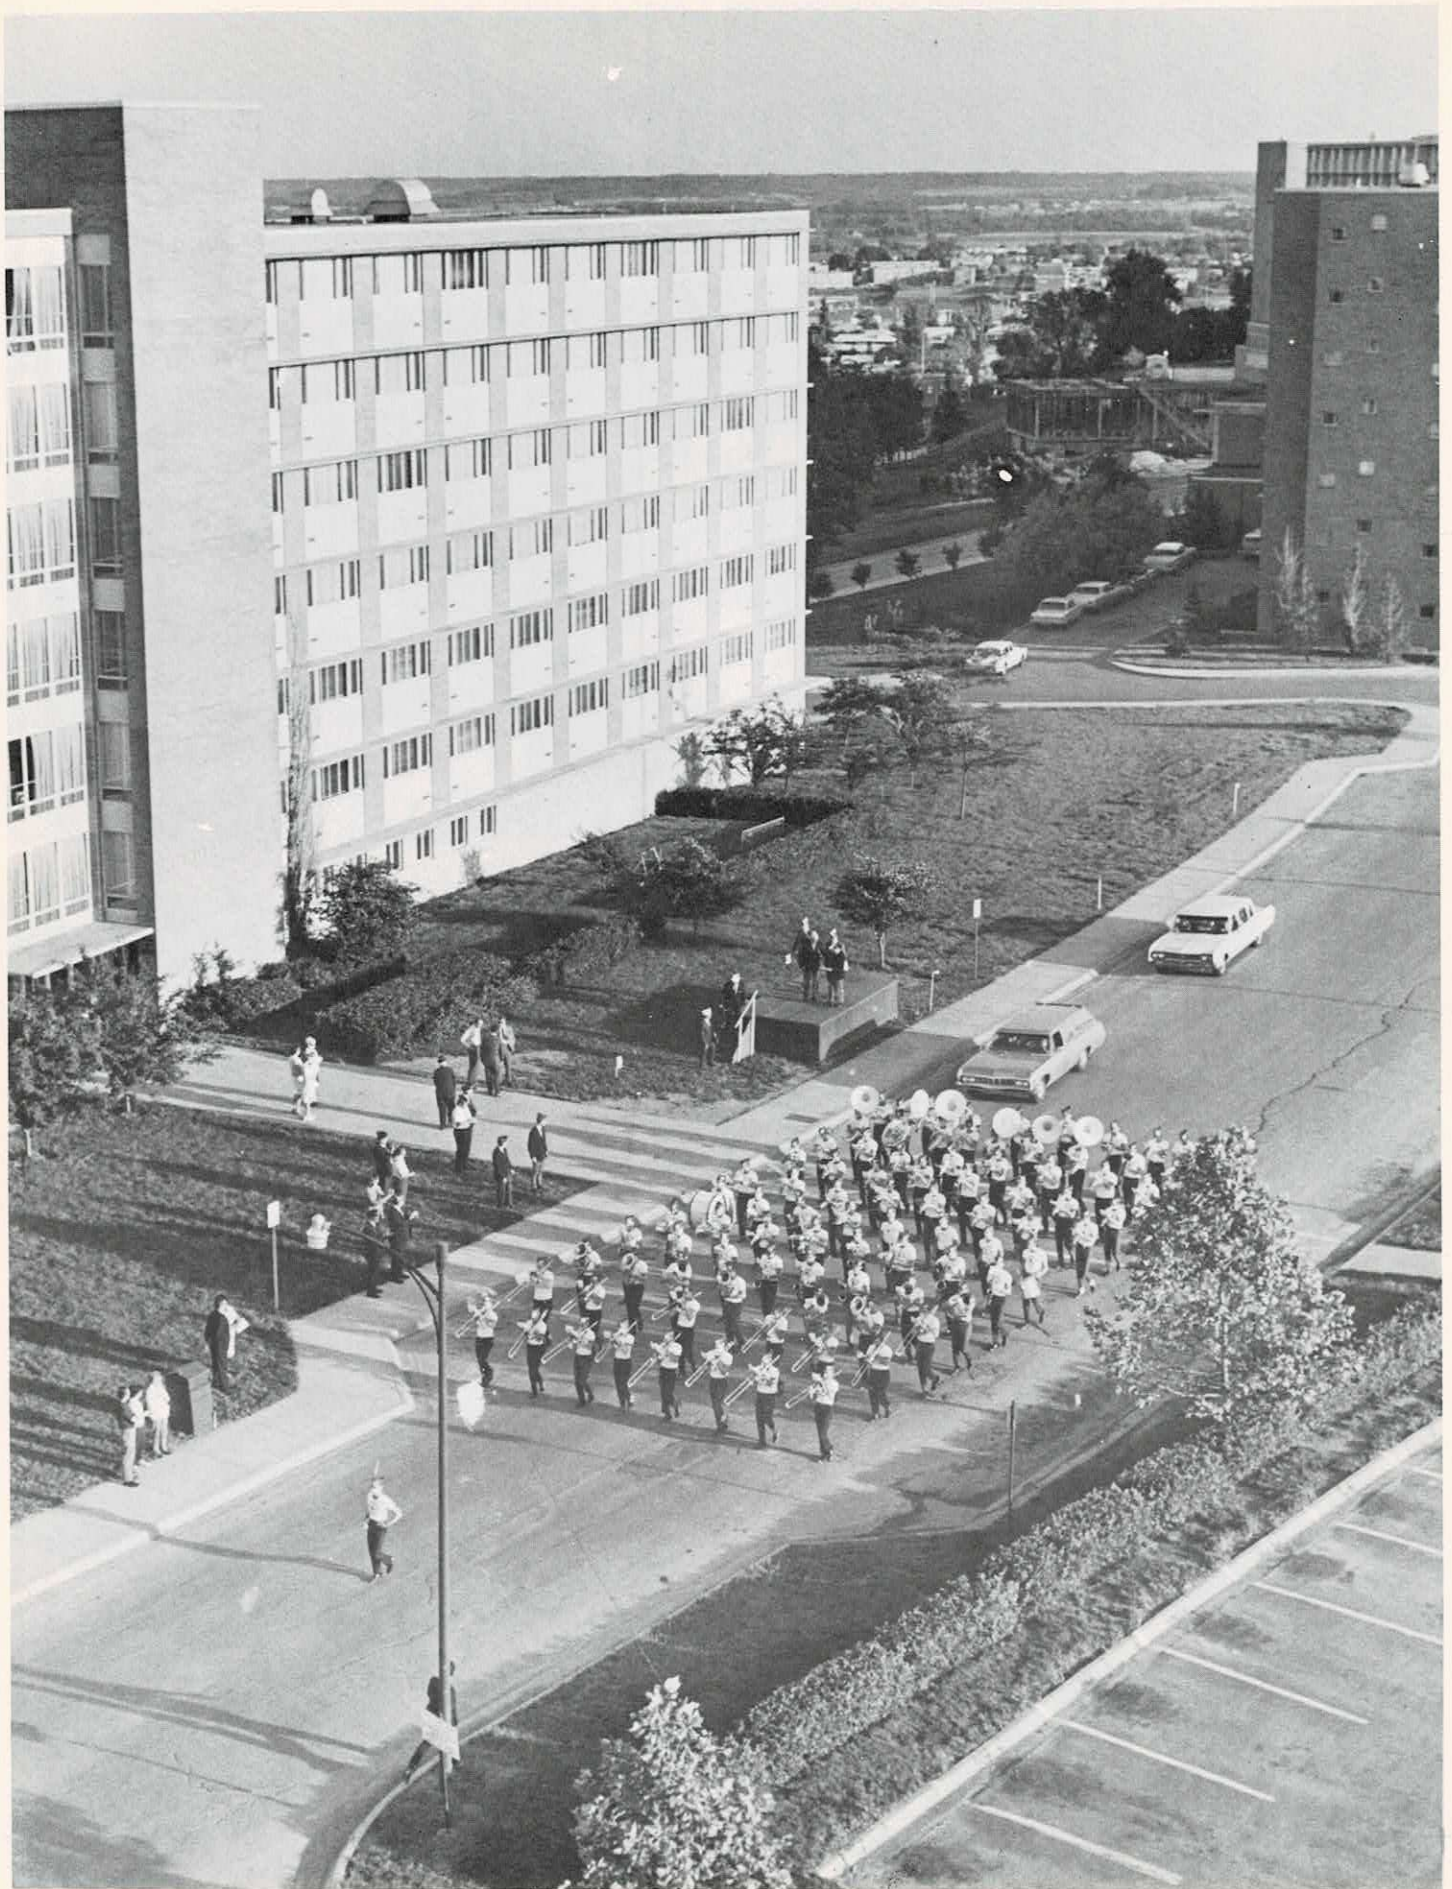

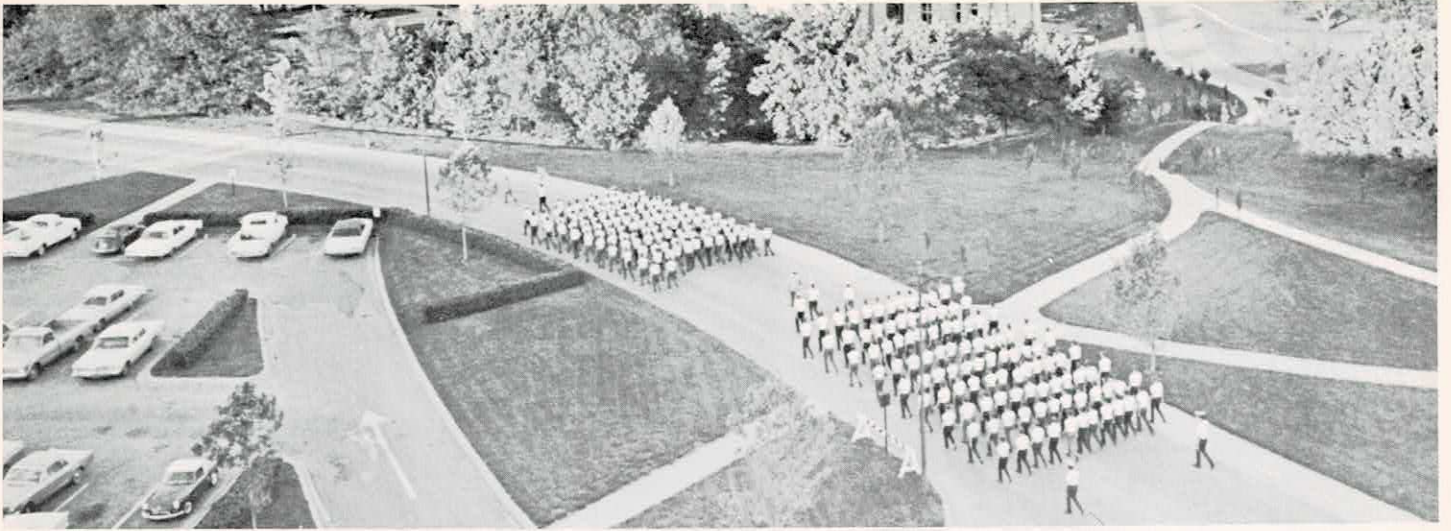

BAND and CHORUS

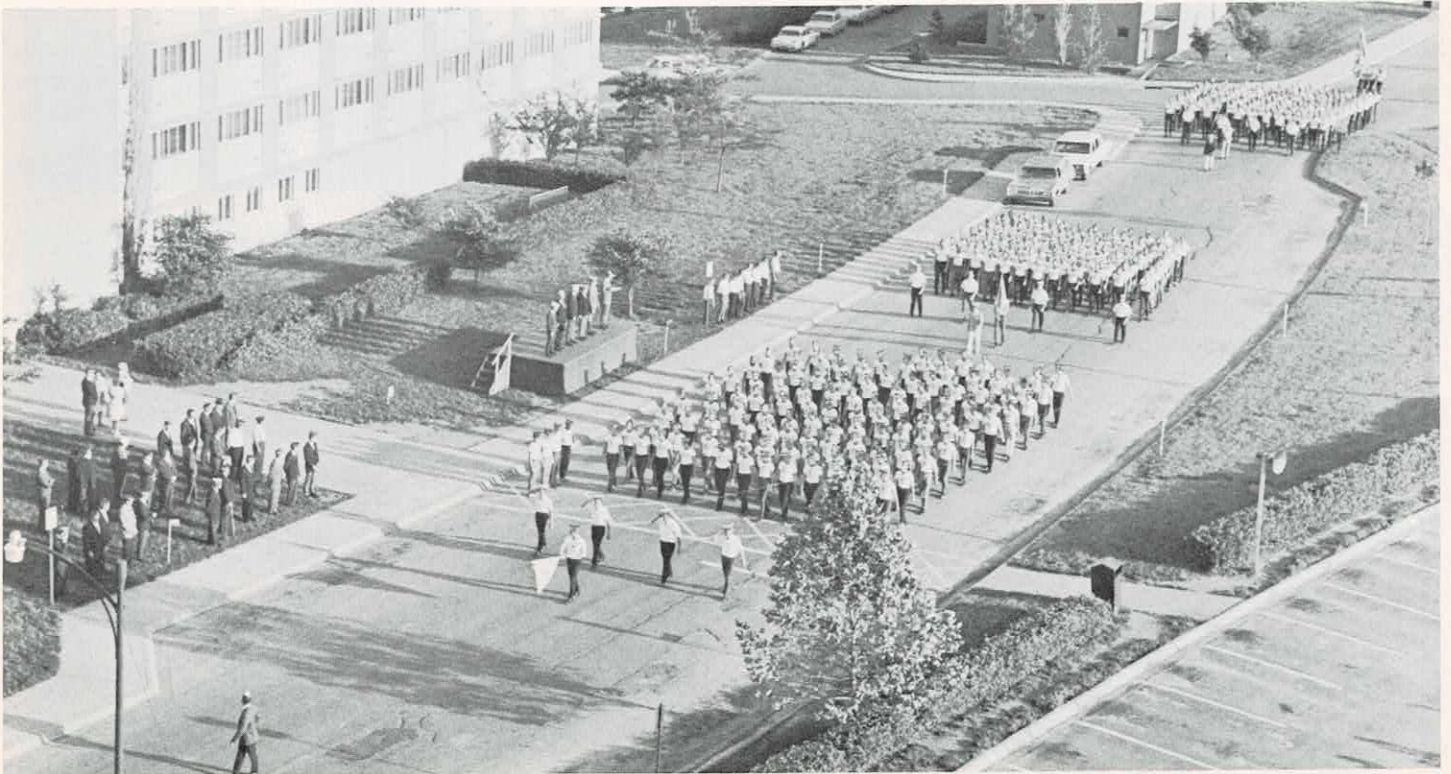

Our own Boys' State band piped us down the hill to "The Boys' State March", and we were entertained by the Boys' State chorus.

RETREAT With a growing esprit de corps "eyes right" at the reviewing stand, we proudly marched our way each evening to city and county awards.

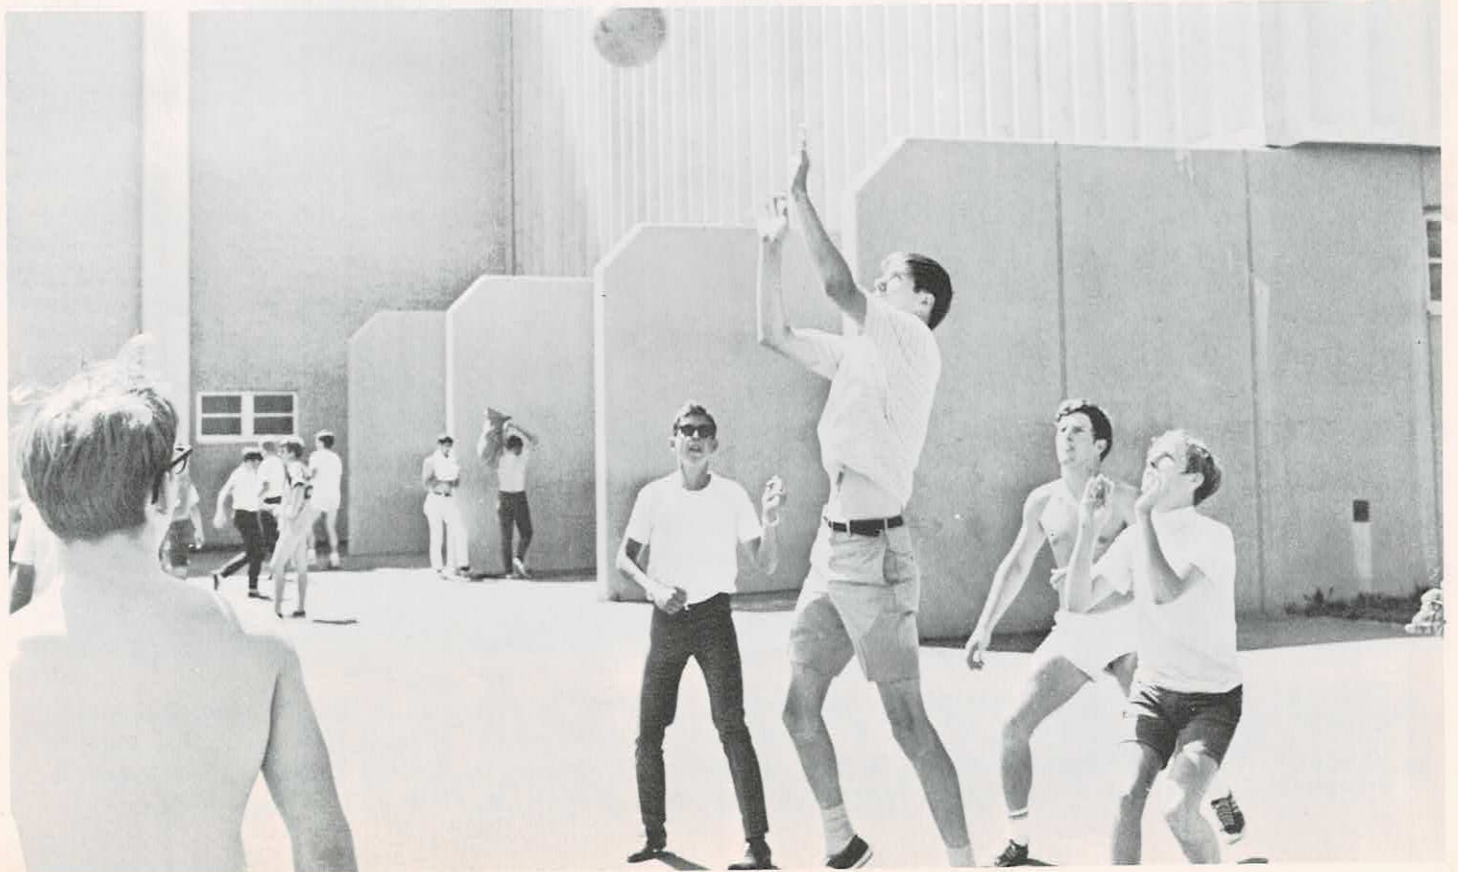

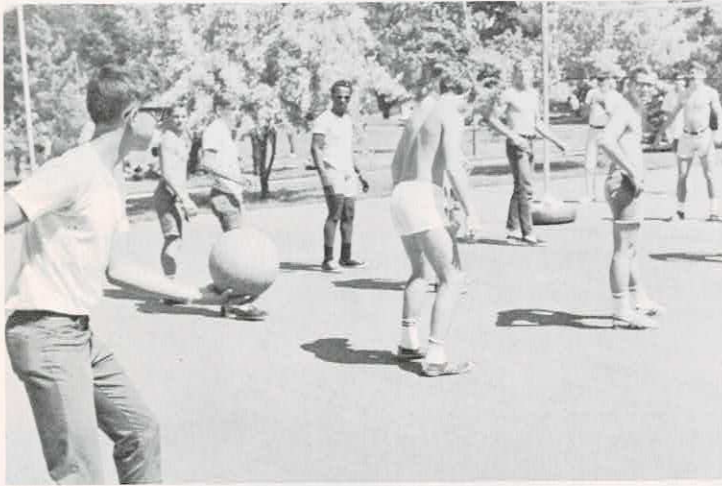

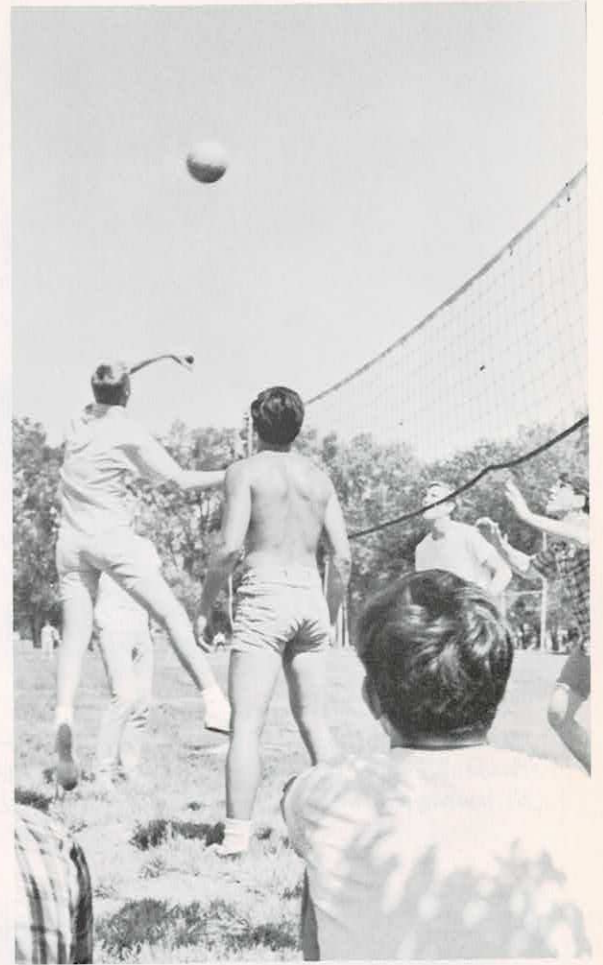

TALENT SHOW

Is there a Stater among us who will ever forget the Manhattan Pops Choir? Our hands ached from applauding their performance.

The preceding night's assembly was all ours--as with guitar, voice and comedy routines, we gave our own Talent Show.
