BOYS' STATE '70

Director's Message

Warmest congratulations to all the 1970 staters. We hope you will look back to this week's experiences and someday say THIS IS THE PROMISED LAND!

Again my thanks to the Advisors, the members of the American Legion and the members of the Lawrence American Legion Post #14. This year our many thanks to the American Legion Auxiliary and their 1970 Girls staters for making the Governors Ball a real success.

My best wishes to all our Counselors for a successful future. They, as I have stated before, are the "backbone" of our program.

As your Director, my sincere best wishes go to you wonderful people.

Dino J. Spigarelli

Governor's Message

The American Legion Boys' State of Kansas is one of the greatest youth organizations in the nation. In today's world we need leaders and good citizens, this is what the Boys' State program does. It shapes young men into leaders of tomorrow. It is a privilege that not many high school students achieve and we should indeed be honored to have been selected to attend Boys' State. It is also a challenge to gain the opportunity to better ourselves as citizens and leaders.

The fellowship gained at the American Legion Boys' State of Kansas is invaluable as well as important to the construction of our individuality. It has been one week that I am certain all of you will remember for the rest of your lives. Whether you have held an office or just given moral support to the rest of us, I hope that each of you will have benefitted either by learning more about our state and county governments or by the realization that this is America and we are Americans. We must stand up for Democracy. We must prove to all the people of the nation that we, the younger generation, will be able to step in and match, perhaps improve, the present governments.

I sincerely hope that the people of not only the state of Kansas but also of the nation strive forward to make OUR America the example of all peoples of all nations. America the example of all peoples of all nations.

Richard Felton

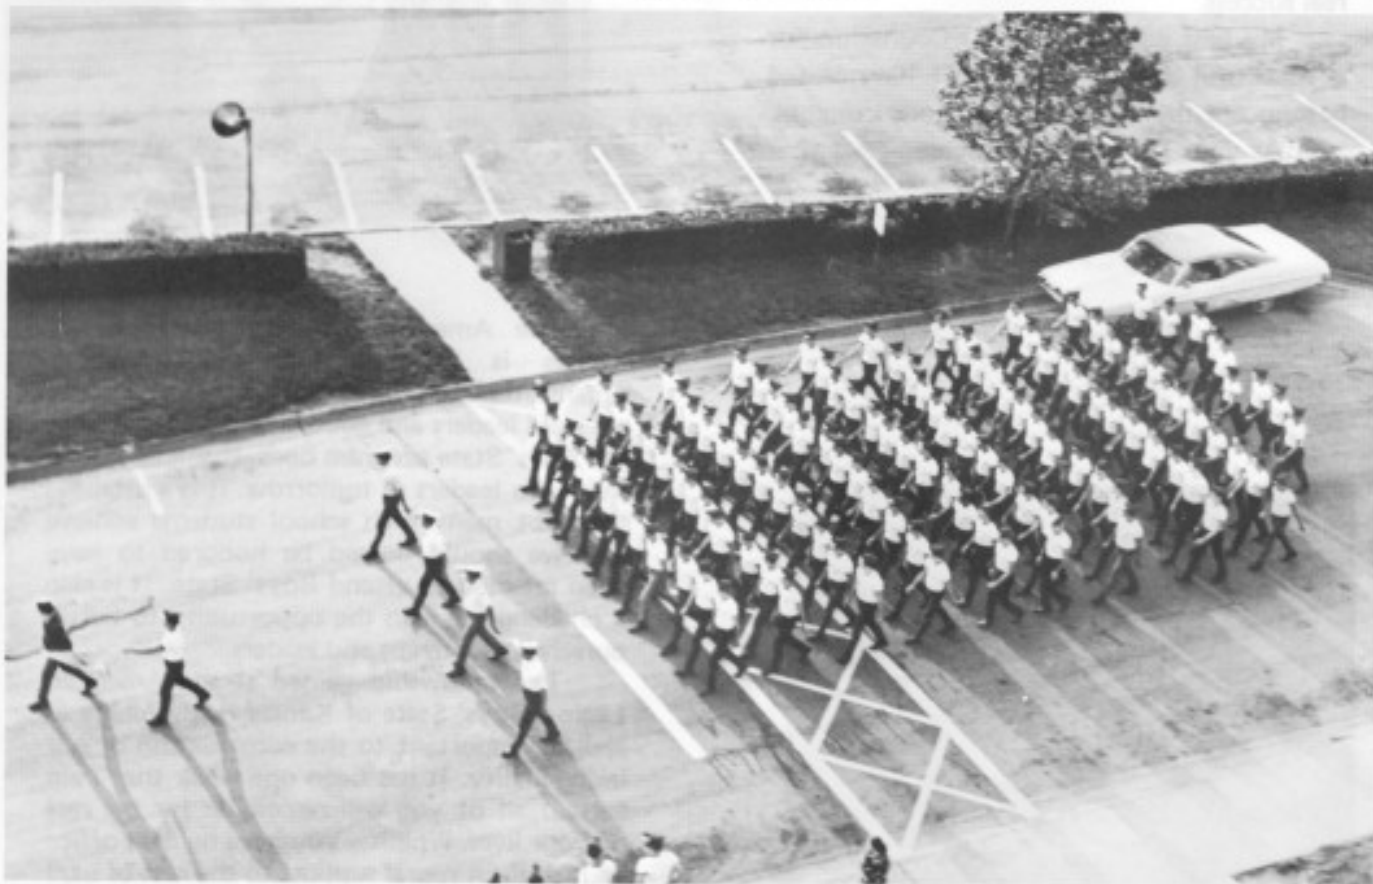

BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (Department meaning 'state' in the American Legion organization).

Kansas, holding charter number 5, was among the first to institute the week-long government-in-action training program. Within these past 30 years, virtually every state American Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved Boys' State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall, and in 1970 a portion of Ellsworth Hall was used.

The program is no longer limited by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as American Legion posts sponsor delegates.

Over 20,000 Kansas boys—the 1125 delegates this year bringing the total to 20,007 have participated in Boys' State, performing during each session every function of government, in city, county and state levels.

Selected former staters—100 of them—return as counselors to Boys' State, and are assisted in its direction by 50 Legionnaire advisors and Executive Director, Dino Spigarelli.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys' Nation, which convenes later in the summer in Washington, D.C. Kansas delegates to 1970 Boys' Nation are Paul Carttar and Anthony Hensley and Alternates Mack Michael and Rick McKinley.

GETTING SETTLED...

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

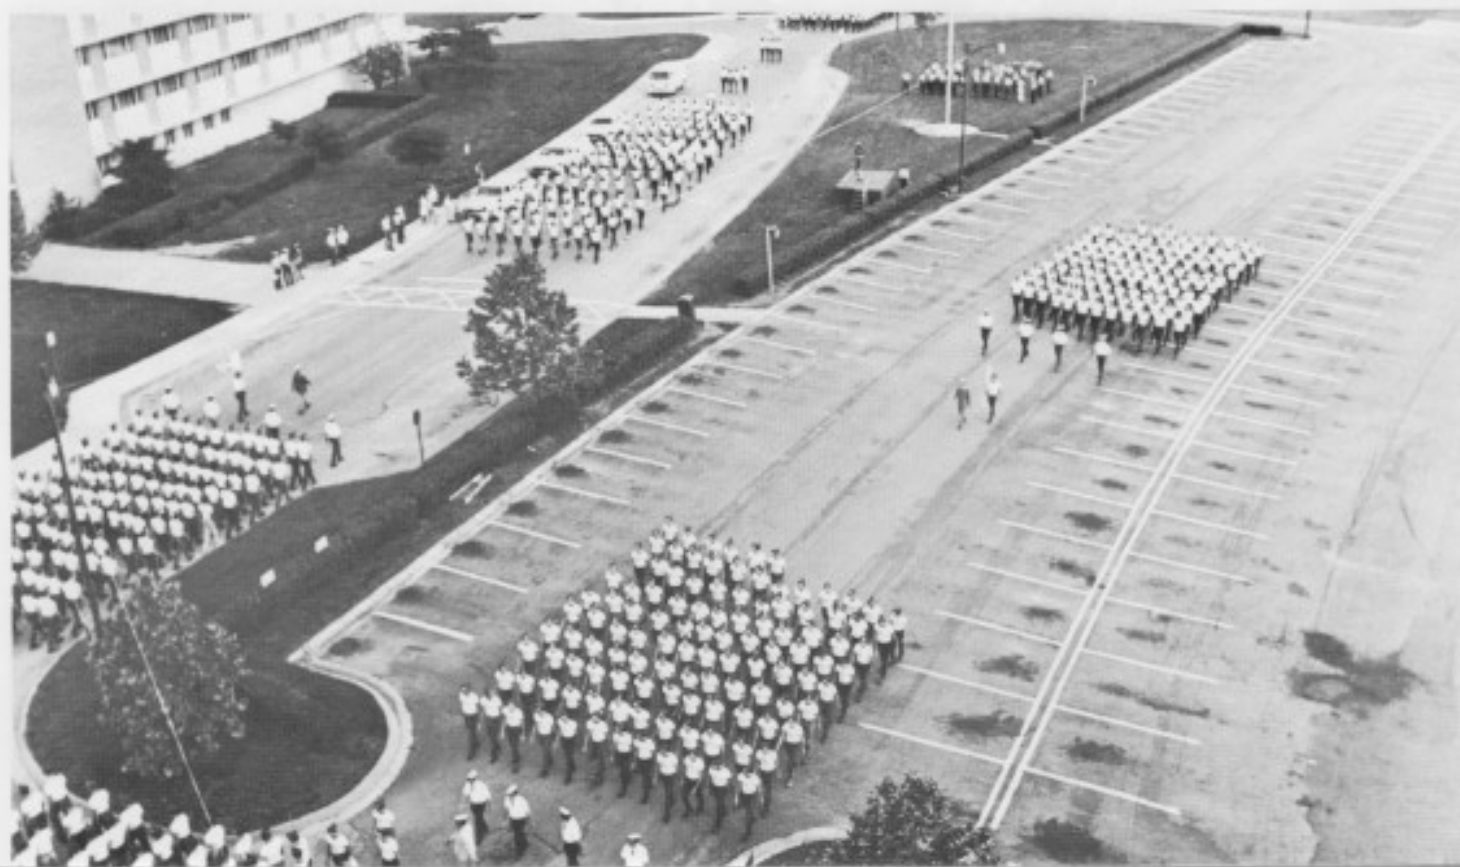

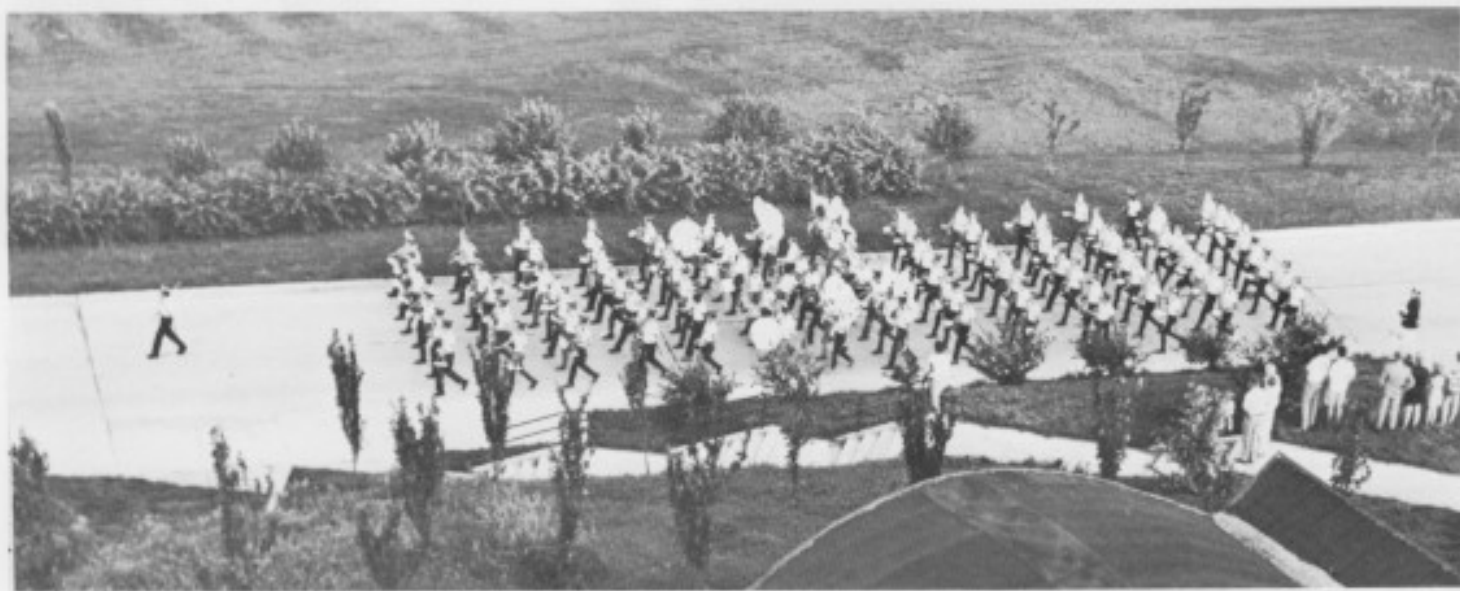

OPENING SESSION

Retreat, passing in review, assembly. Legionnaires, visitors and staff helpers. All a part of Boys' State.

CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m. Tuesday.

We splashed out names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

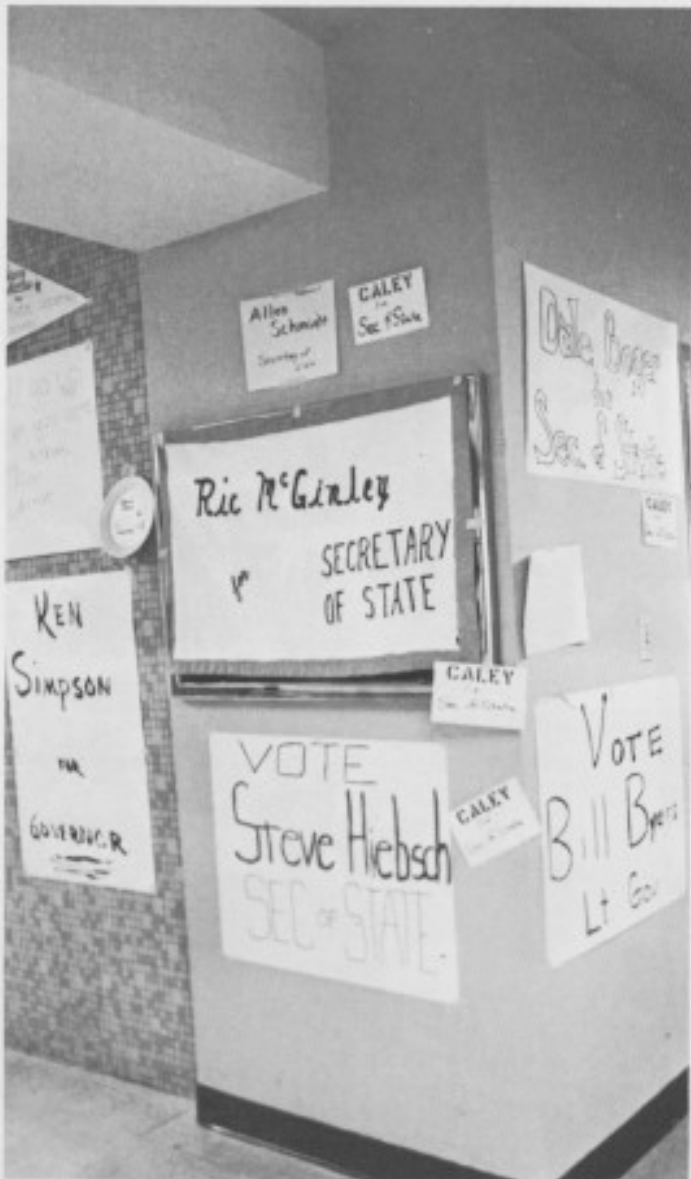

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

Perhaps most important, we learned that only one can win, but many must lose. And we who lost, proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

For as we left Tuesday night's general assembly, whether victorious or defeated, we united behind our party standard...vowing victory for our candidates, our declared platform goals.

Roaring "two-bits, four-bits, six-bits, a dollar" until we shook Murphy Hall, we hauled down our losing primary signs and began the big push behind our candidates for Wednesday's general election.

And

MORE CAMPAIGNS

Both parties, the Federalists and Nationalists, campaigned for their party candidates. Each party chairman organized a vigorous campaign to win votes for their party.

PRIMARY RESULTS

Today the delegates to the American Legion Boys' State of Kansas selected party nominees for major state offices in a primary election at their annual government-in-action training program on the campus of the University of Kansas. Chosen by the Nationalist Party to head their state of candidates as governor was Tom Jones while the Federalist picked Richard Felton as their nominee for governor of Boys' State.

Voting in the primary culminated a tough battle for over 100 Staters competing for 18 positions on Wednesday's general election ballot. Other state candidates include the following:

Attorney General:

F. — Dan Thomas

YOUR VOTE COUNTED....

We voted in our cities Wednesday afternoon and our election boards tallied the votes so that the winners could be announced that night.

Then with the traditional request "Will you please escort the new Governor of Boys' State to the platform?" Dino Spigarelli, Executive Director of Boys' State and Harold Hollis, Associate Director, escorted the new Governor, Richard Felton to the platform.

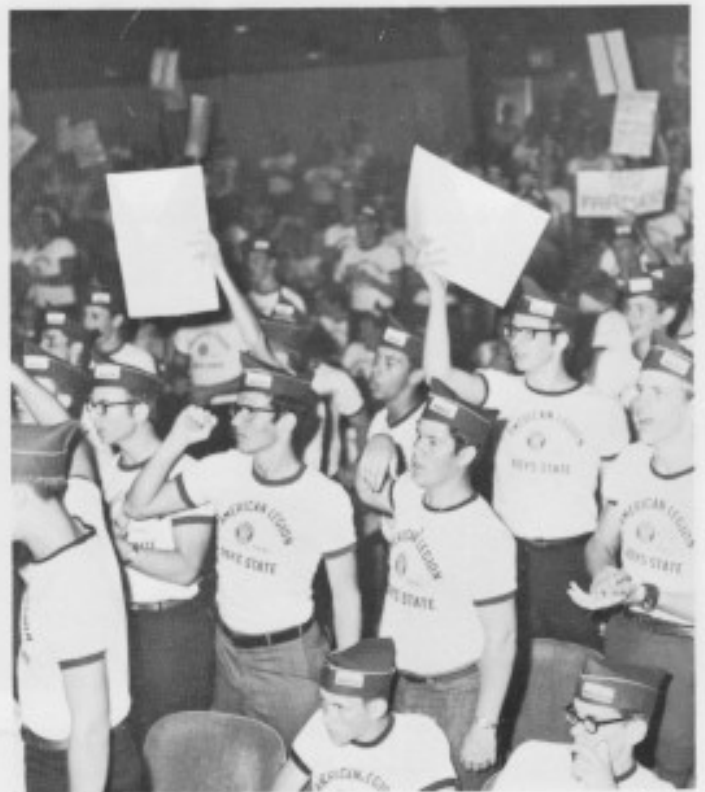

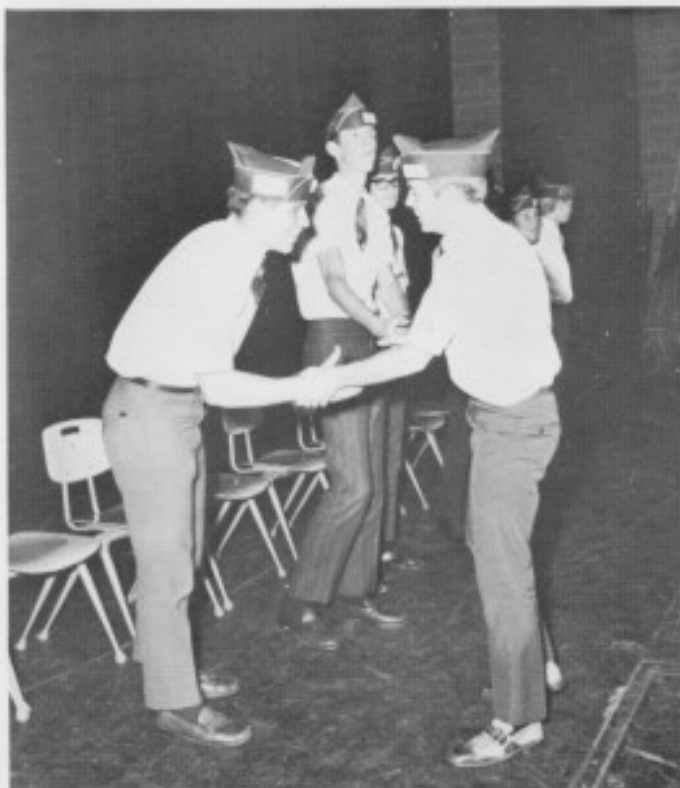

....AND THE RESULTS

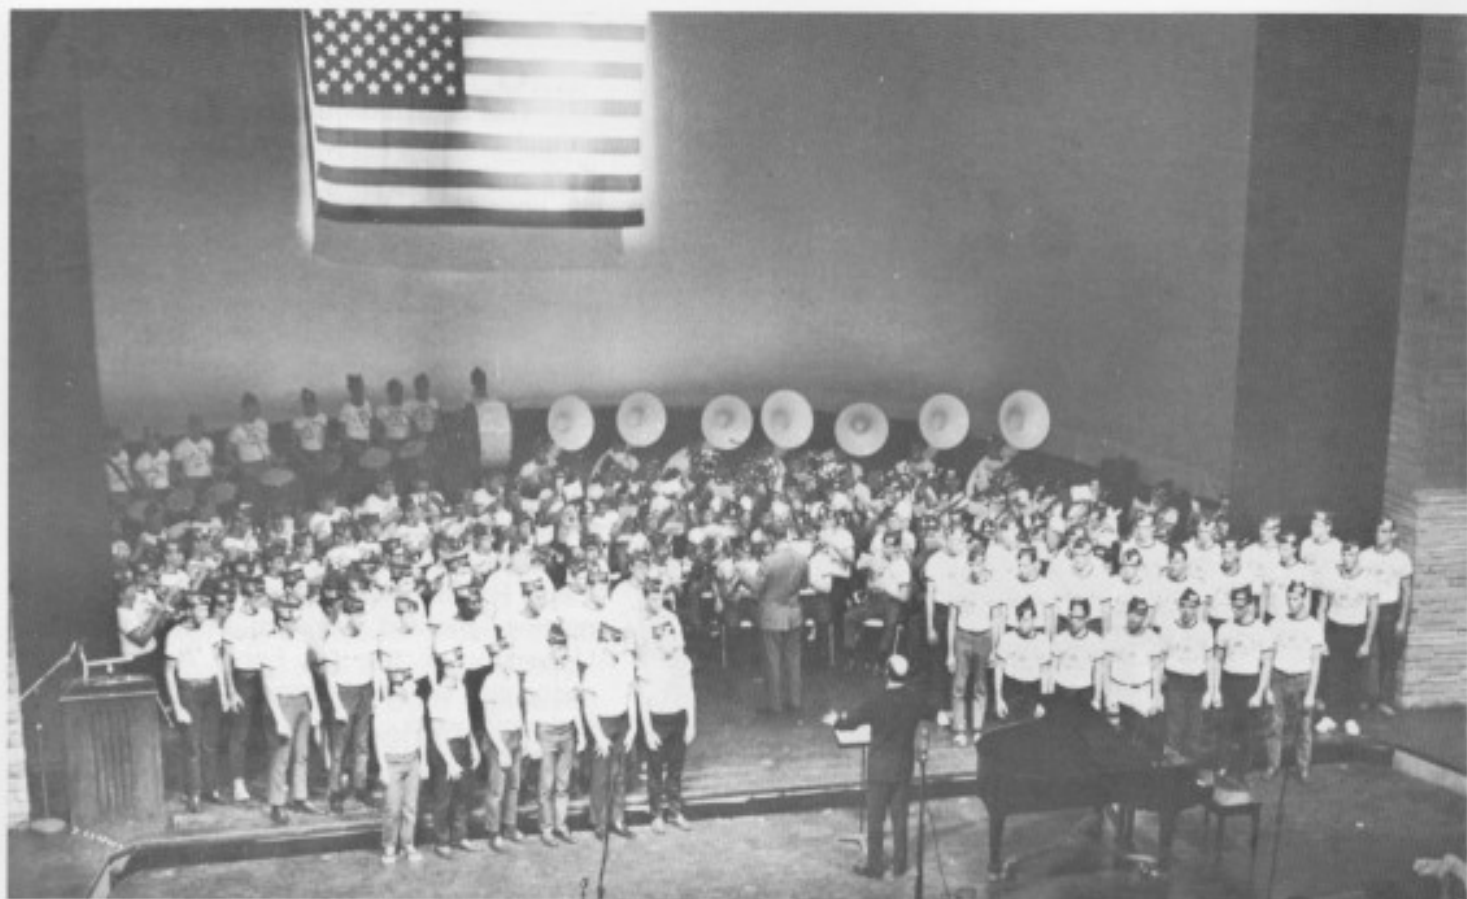

This afternoon the delegates to the 33rd annual American Legion Boys' State of Kansas elected Richard Felton as governor of the government-in-action program being held on the University of Kansas campus. The long awaited announcement came at the evening assembly in Murphy Hall.

The Federalist governor lives in Junction City with his aunt and uncle, Mr. and Mrs. Odell Rhodes. He was born in Denver, Colorado and moved to Junction City nine years ago. Richard is 17. He attends Junction City High School. He has been elected President of Student Council, participates in wrestling and football, and is a member of the Kays. His hobbies include sports, girls, and reading. Richard plans to attend Colorado University or the Air Force Academy. His major will be psychology or political science and social work.

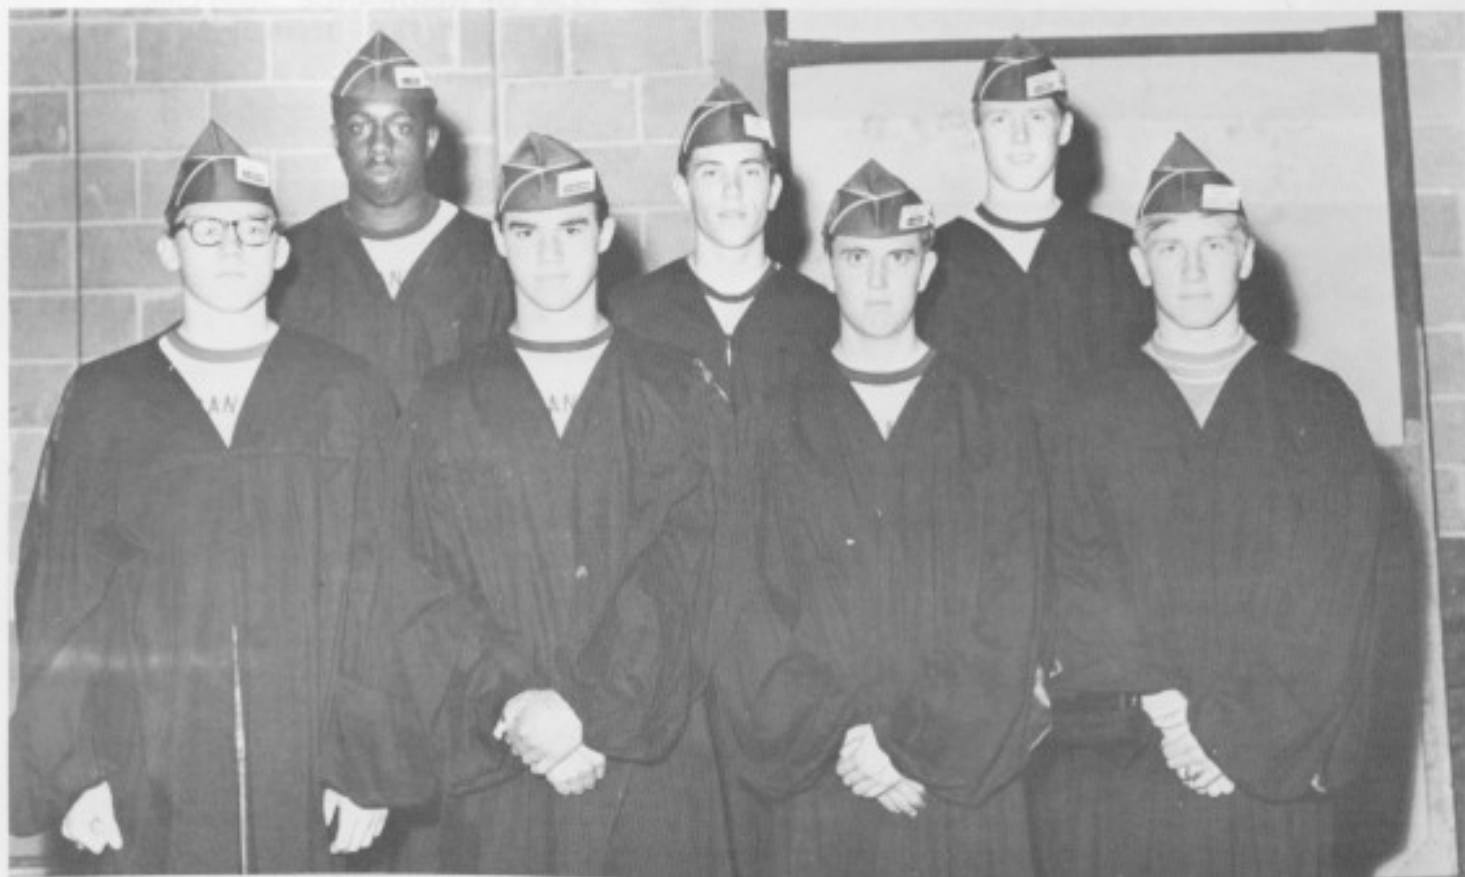

Other state officials elected today were the following:

LT. GOVERNOR Anthony Hensley
ATT. GENERAL Danny Thomas
SEC. OF STATE Allen Schmidt
STATE AUDITOR Mark Ward
STATE TREASURER Mark Michael

YOUR LEGISLATURE CONVENES

BAND and CHORUS

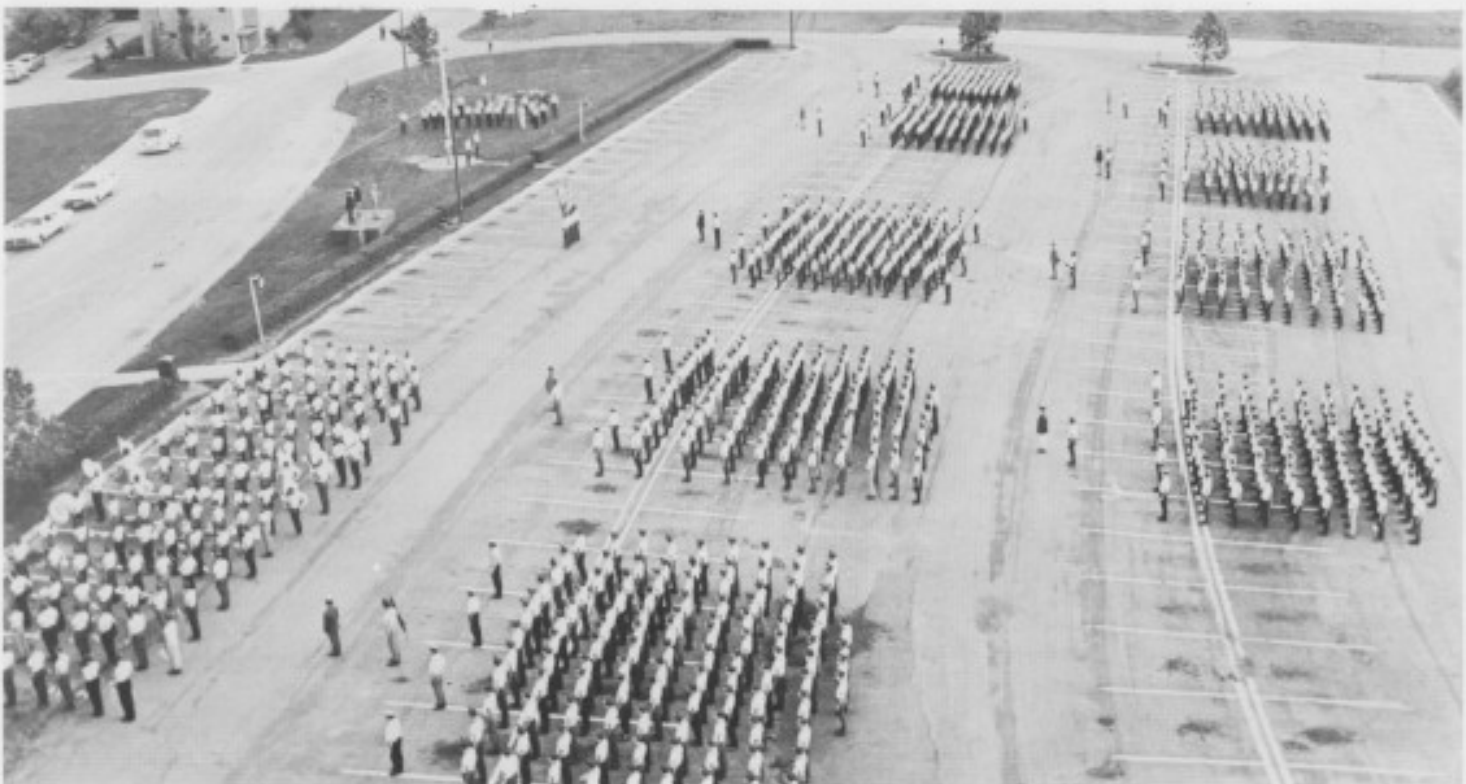

Our own Boys' State band piped us down the hill to "The Boys' State March", and we were entertained by the Boys' State chorus. Both were directed by KU staffers: Kenneth Bloomquist (band) and Daryl Beene (chorus).

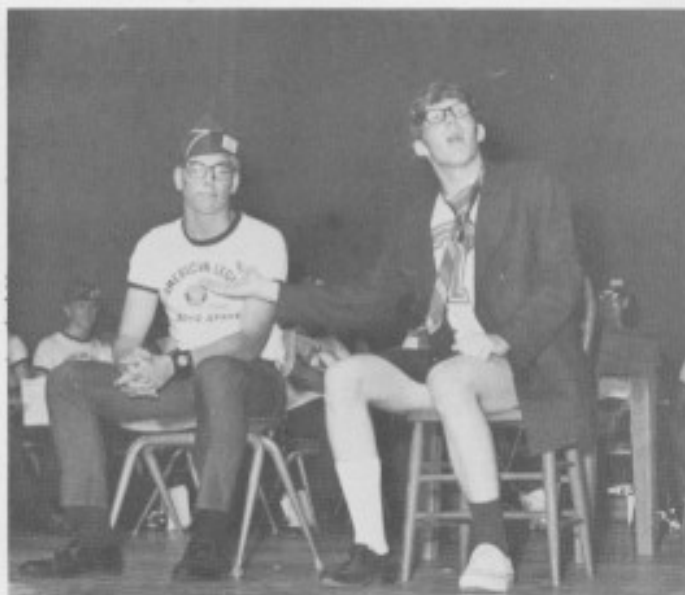

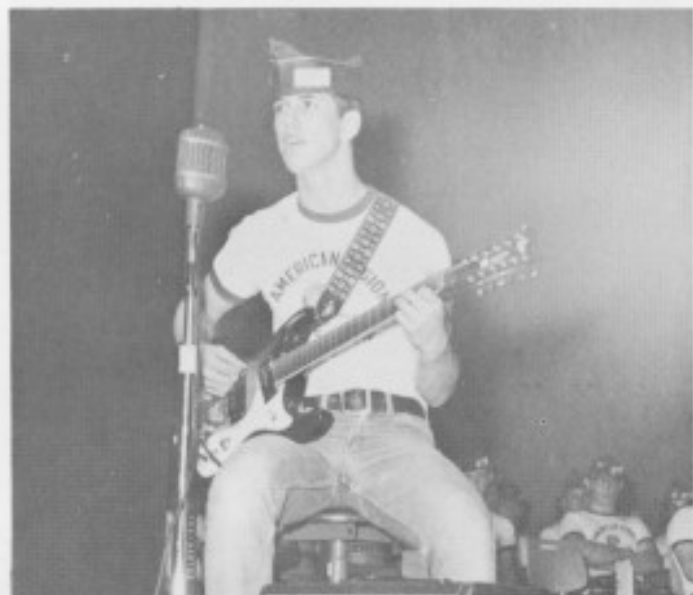

RETREAT With a growing esprit de corps "eyes right" at the reviewing stand, we proudly marched our way each evening to city and county awards.

TALENT SHOW

Is there a Stater among us who will ever forget the Manhattan Pops Choir? Our hands ached from applauding their performance.

The preceding night's assembly was all ours--as with guitar, voice and comedy routines, we gave our own Talent Show.
