## Director's Message

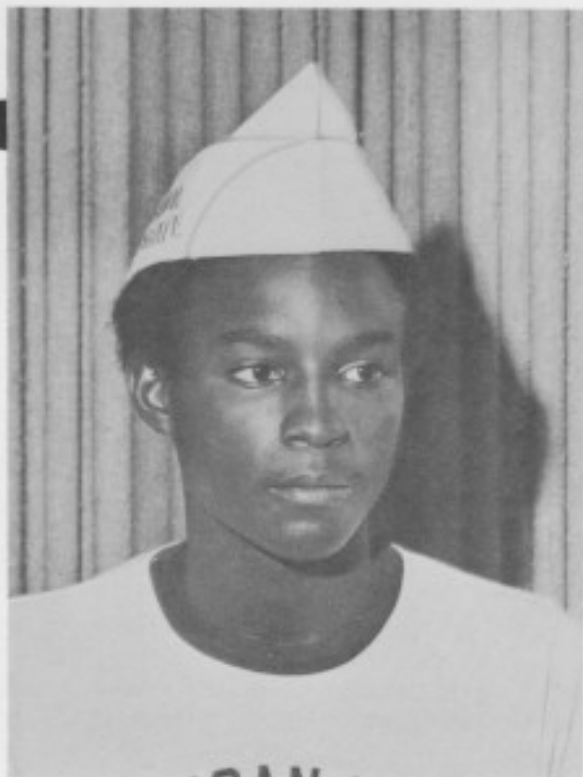

Warmest congratulations to all the 1972 staters. We hope you will look back to this week's experiences and say THIS IS THE PROMISED LAND!

Again my thanks to the Advisors, the members of the American Legion and the members of the Lawrence American Legion Post No. 14.

My best wishes to all our Counselors for a successful future. They, as I have stated before, are the "backbone" of our program.

As your Director, my sincere best wishes go to you wonderful people.

Dino J. Spigarelli

## Governor's Message

Now as this Boys' State session of 1972 comes to an end, we wish each other luck. It's sad to go, but we'll have delightful memories of the good times we've had and the things we've done. Everyone who made it through the whole session will never regret it. The guys here are really great. It's an honor to meet them and get to know them. Actually this Boys' State is an within itself. Your school chooses the most responsible and the strongest leaders possible to represent them here. We've got great counselors and advisers who try to do what's best for us, so we must thank them. To all you past and future Staters, good luck and have a beautiful future.

Severeno Woods

# BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (Department meaning 'state' in the American Legion organization).

Kansas, holding charter number 5, was among the first to institute the week-long government-in-action training program. Within these past 30 years, virtually every state American Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved Boys' State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall, and in 1968 a portion of Ellsworth Hall was used.

The program is no longer limited by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as American Legion posts sponsor delegates.

Over 22,000 Kansas boys — 1036 delegates this year bringing the total to 22,094 — have participated in Boys' State, performing during each session every function of government, in city, county and state levels.

Selected former staters — 100 of them — return as counselors to Boys' State, and are assisted in its direction by 50 Legionaire advisors and Executive Director, Dino Spigarelli.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys' Nation, which convenes later in the summer in Washington, D.C.

## WELCOME - - - - - to BOYS' STATE

Staters arriving by bus, train and car. Legionnaires met buses and trains Saturday and Sunday and delivered the boys to Lewis Hall for registration.

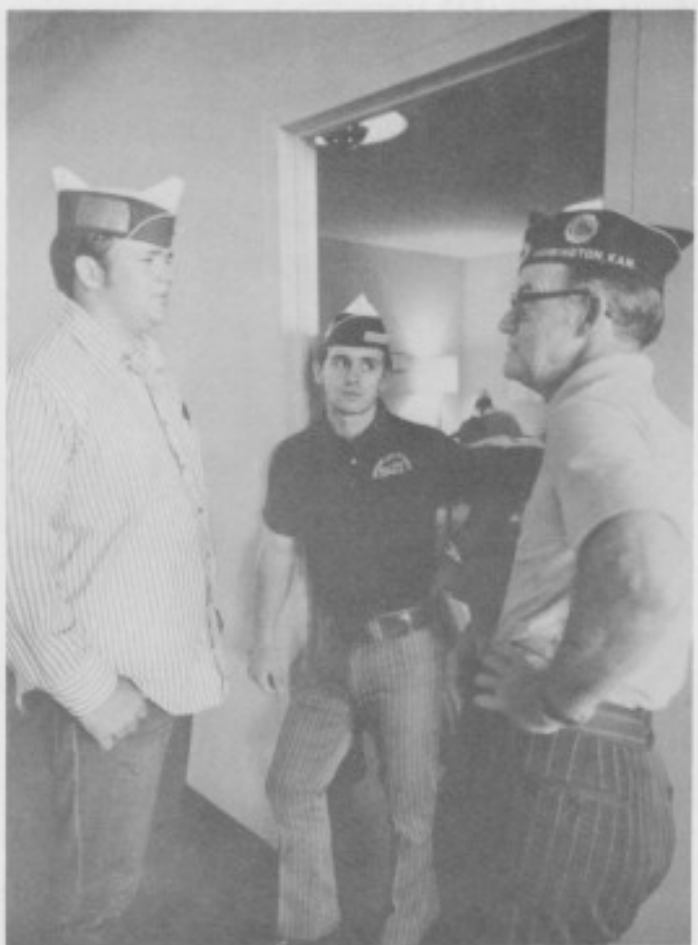

## GETTING SETTLED...

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

## OPENING SESSION

Retreat, passing in review, assembly. Legionnaires, visitors and staff helpers. All a part of Boys' State.

## CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m. Tuesday.

We splashed out names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

Perhaps most important, we learned that only one can win, but many must lose. And we who lost, proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

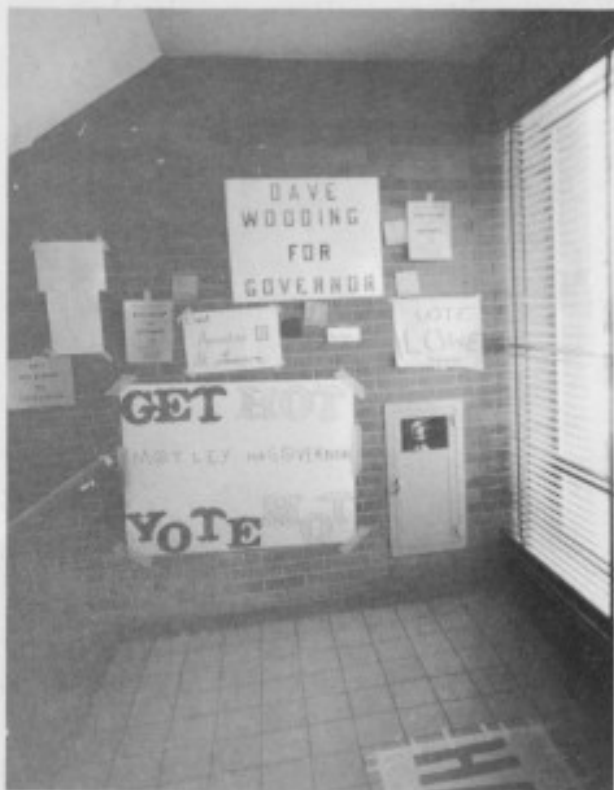

For as we left Tuesday night's general assembly, whether victorious or defeated, we united behind our party standard...vowing victory for our candidates, our declared platform goals.

Roaring "two-bits, four-bits, six-bits, a dollar" until we shook Murphy Hall, we hauled down our losing primary signs and began the big push behind our candidates for Wednesday's general election.

# And MORE CAMPAIGNS

Both parties, the Federalists and Nationalists, campaigned for their party candidates. Each party chairman organized a vigorous campaign to win votes for their party.

## PRIMARY RESULTS

Today the delegates to the American Legion Boys' State of Kansas selected party nominees for major state offices in a primary election at their annual government-in-action training program on the campus of the University of Kansas. Chosen by the Nationalist Party to head their list of candidates as governor was Severeno Woods while the Federalist picked Mike Bailey as their nominee for governor of Boys' State.

Voting in the primary culminated a tough battle for over 100 Staters competing for 18 positions on Wednesday's general election ballot. Other state candidates include the following:

### Lt. Governor:

F. — Lynn McGlaughlin  
N. — Gregg Hack

### Attorney General:

F. — Mike Lewis  
N. — Mark Muder

### Secretary of State:

F. — Dave McKellips  
N. — Robert Dunn

### State Treasurer:

F. — Greg Reinhardt  
N. — Jeff Cox

### State Auditor:

F. — Greg Wurtz  
N. — Phil Ramsden

### Commissioner of Insurance:

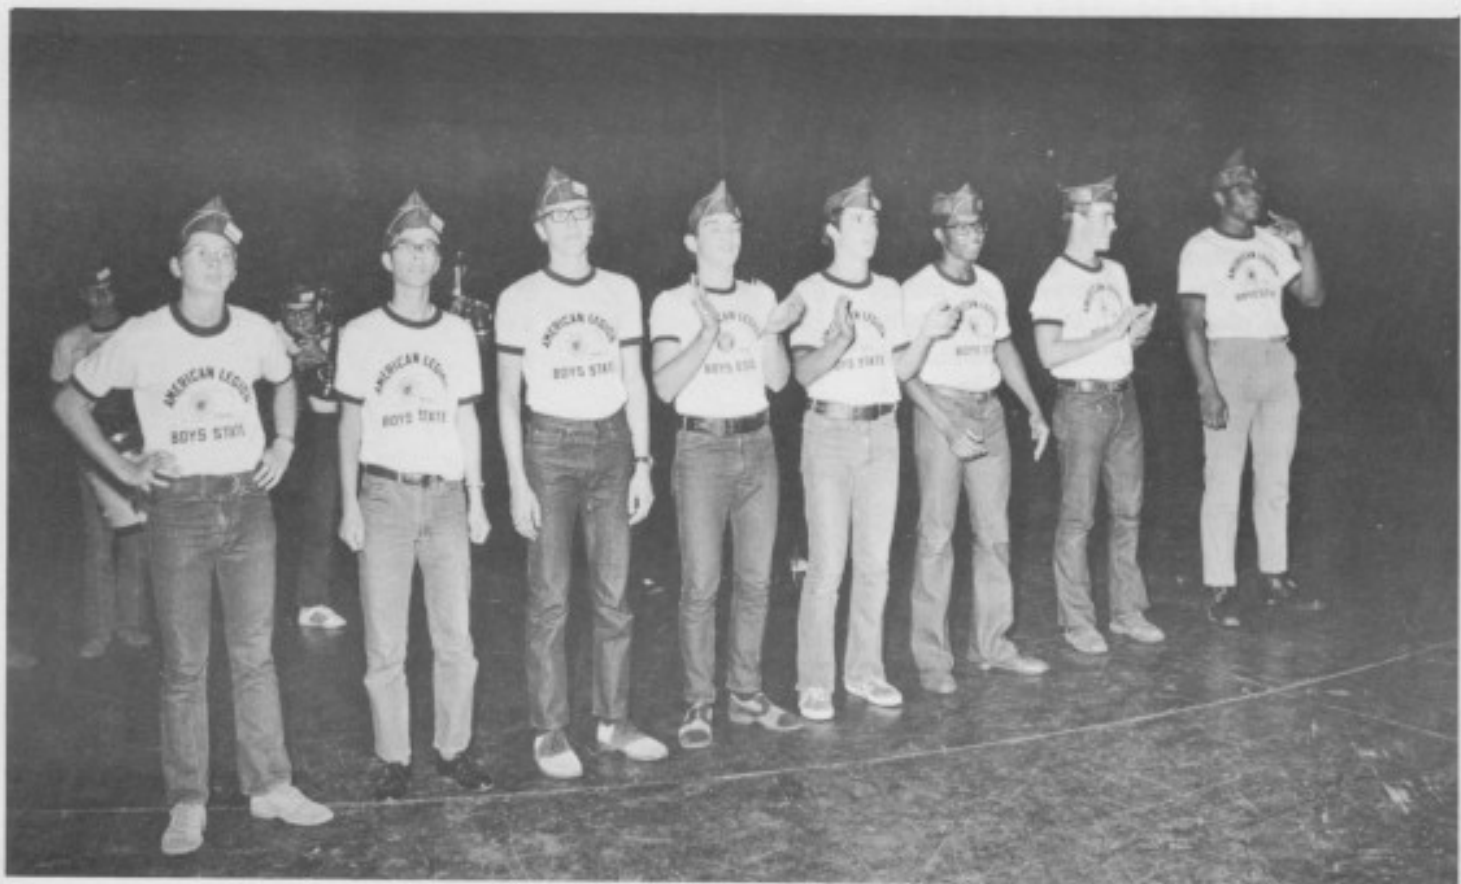

F. — David Cooper  
N. — Al Shank

### State Printer:

F. — Jim Sizemore  
N. — Tim Allen

The results were announced during the evening assembly. After the announcement the parties joined in support of their respective candidates in 20-minute rallies. The hall rocked with cheers and slogans as the parties competed to show their superiority.

## YOUR VOTE COUNTED....

We voted in our cities Wednesday afternoon and our election boards tallied the votes so that the winners could be announced that night.

Then with the traditional request "Will you please escort the new Governor of Boys' State to the platform?" Dino Spigarelli, Executive Director of Boys' State and Harold Hollis, Associate Director, escorted the new Governor, Severeno Woods, to the platform.

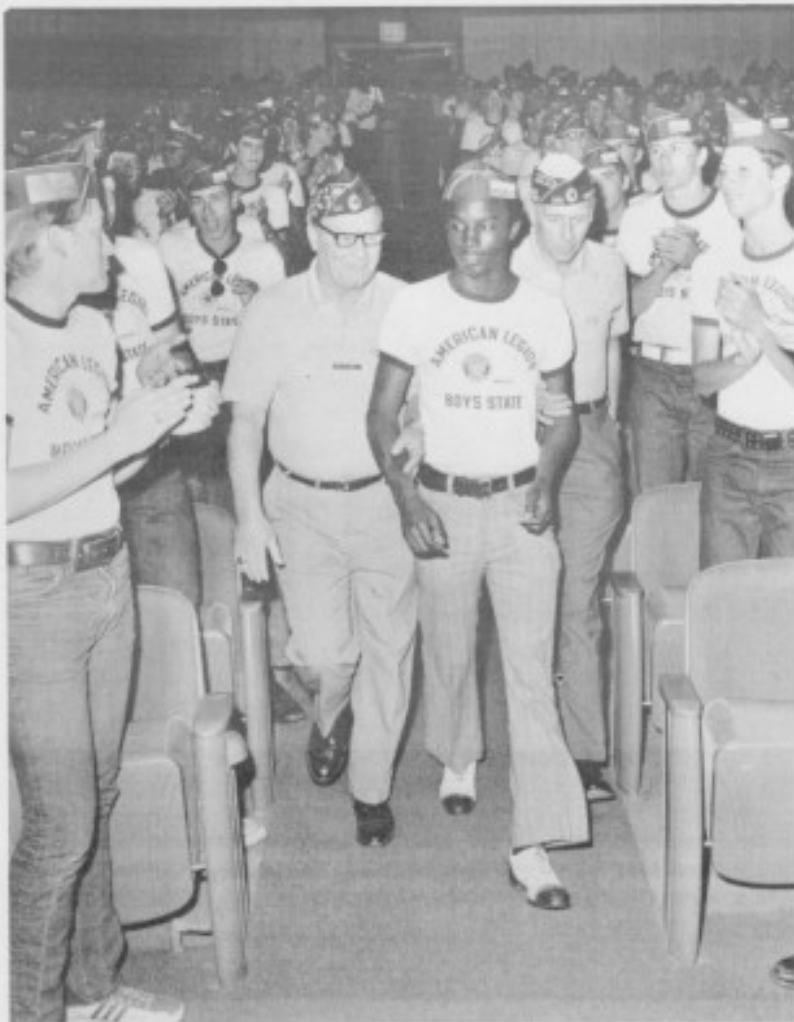

## ....AND THE RESULTS

This afternoon the delegates to the 35th annual American Legion Boys' State of Kansas elected Severeno Woods as governor of the government-in-action program being held on the University of Kansas campus. The long awaited announcement came at the evening assembly in Murphy Hall.

The Nationalist governor lives in Topeka with his parents, Mr. and Mrs. Lorenzo Woods. Sev is an honor student at Highland Park High School. He has participated in Student Association, Model United Nations and was the Union Activities Council Director. He is a member of Robe Choir, Boys Glee, Boys Ensemble and Debate Clubs. Sev is also active in track and football. For the future Sev would like to study law at Kansas University.

CHORUS

## GOVERNMENT OFFICIALS' DAY

All the Boys' State Elected officials are visited by their counterparts from the State Capitol in Topeka making it a very special day for Boys' State.

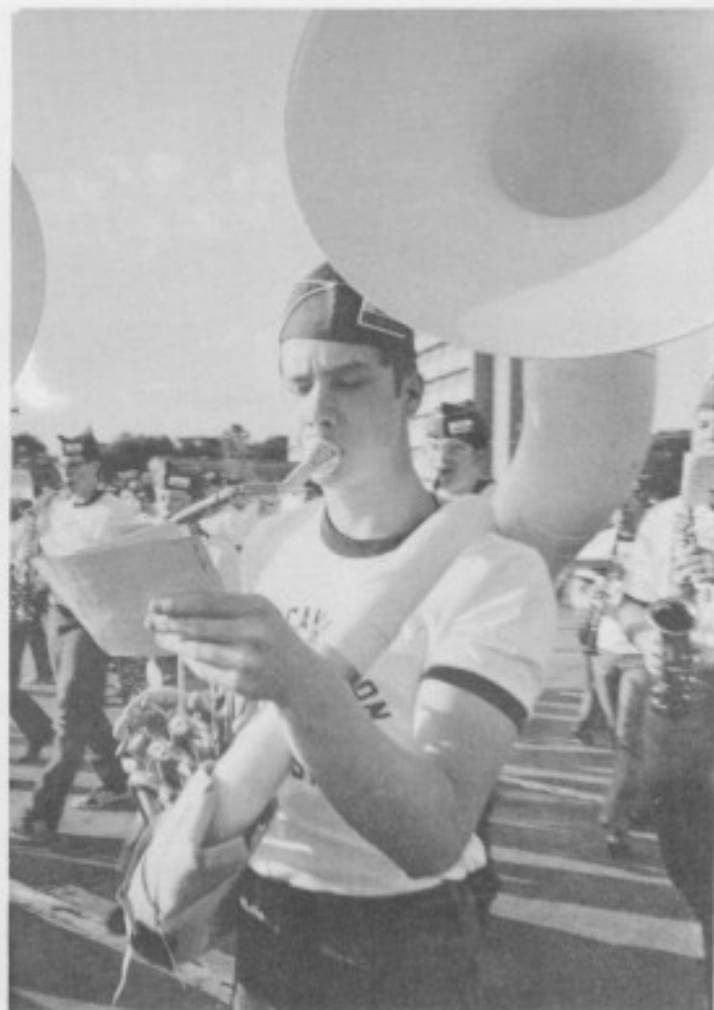

**YOUR LEGISLATURE CONVENES**

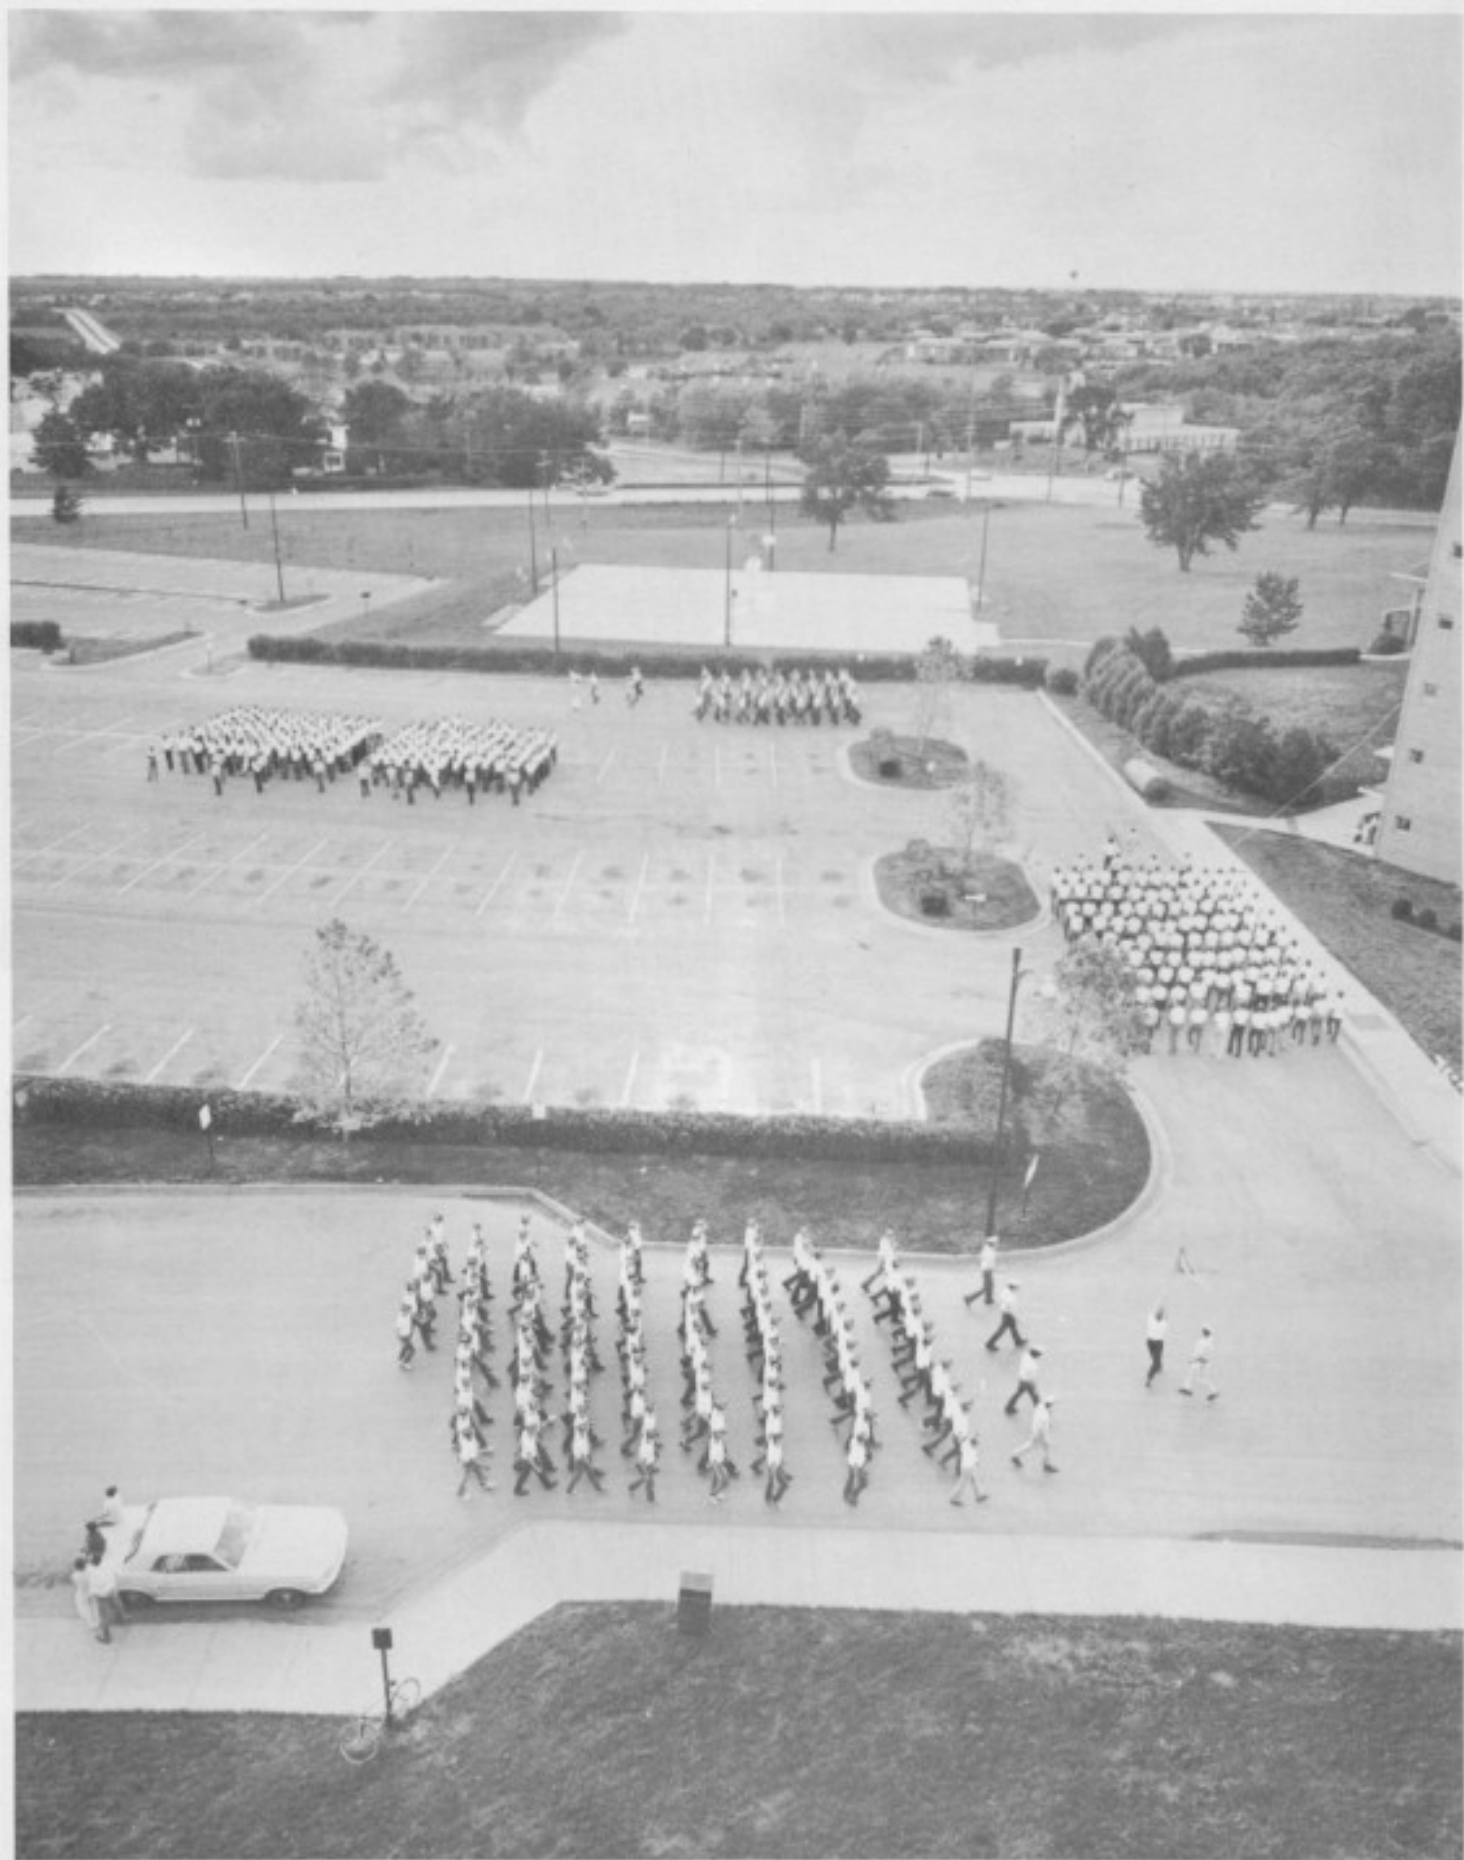

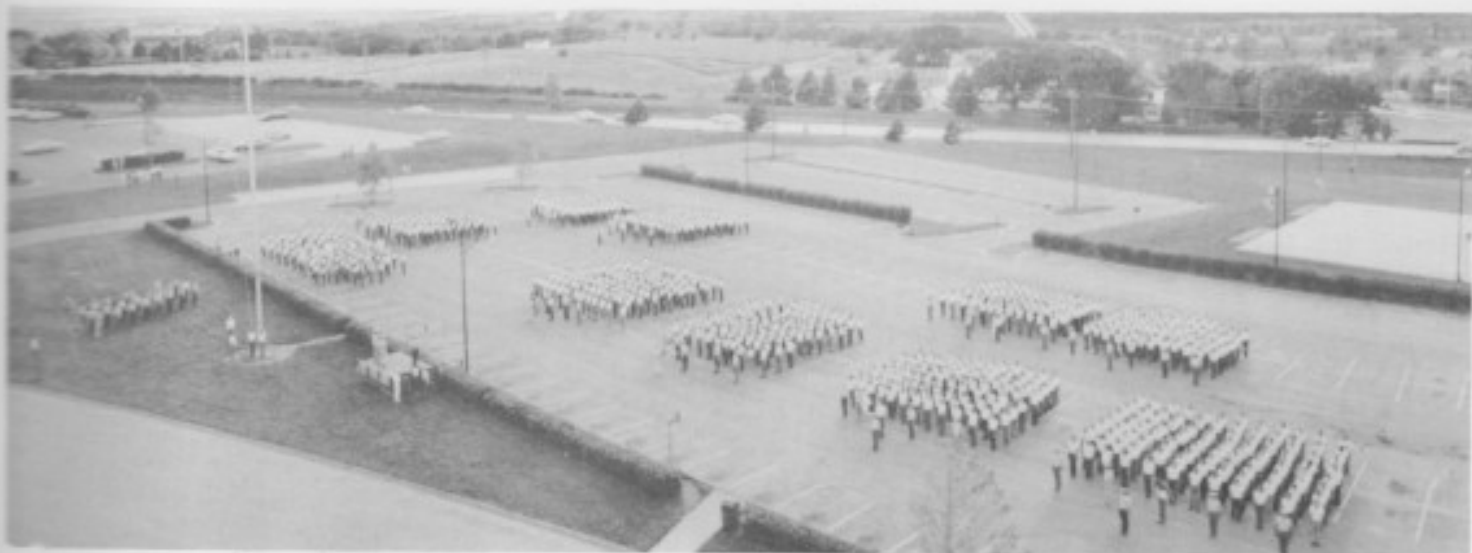

## BAND and CHORUS

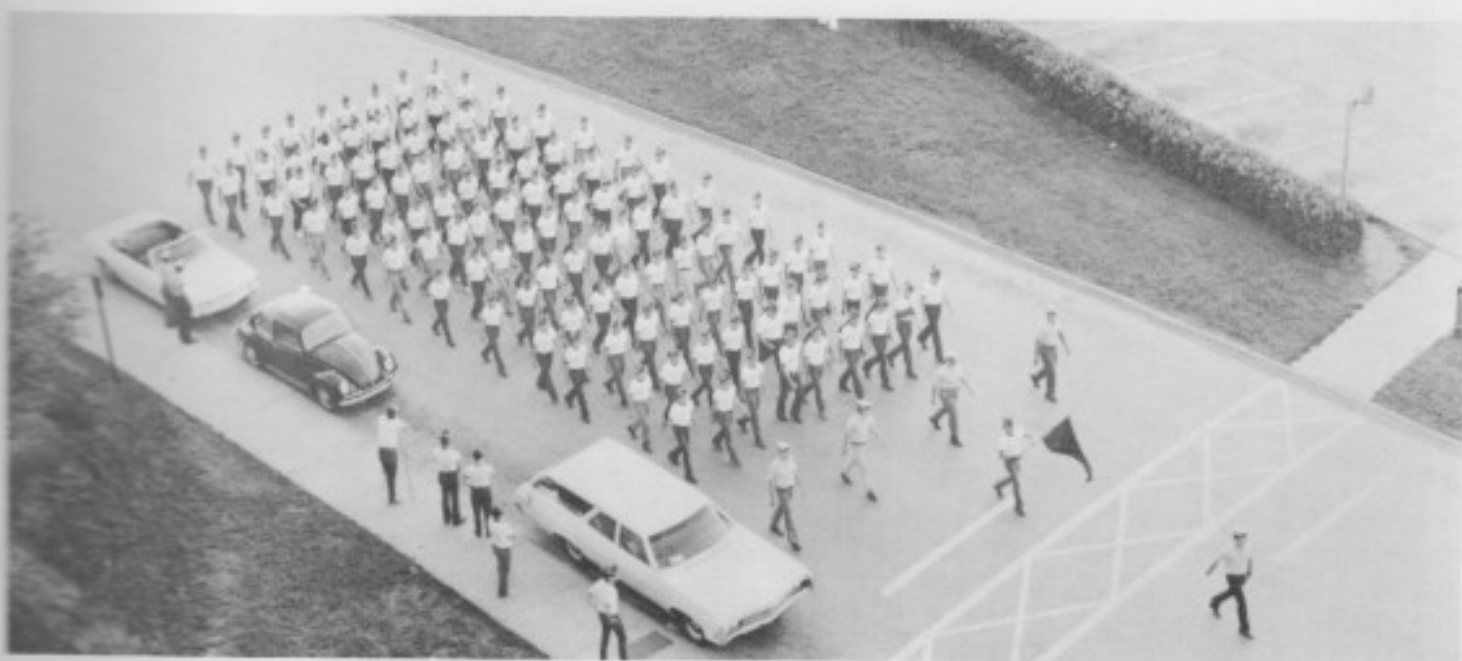

Our own Boys' State band piped us down the hill to "The Boys' State March", and we were entertained by the Boys' State chorus.

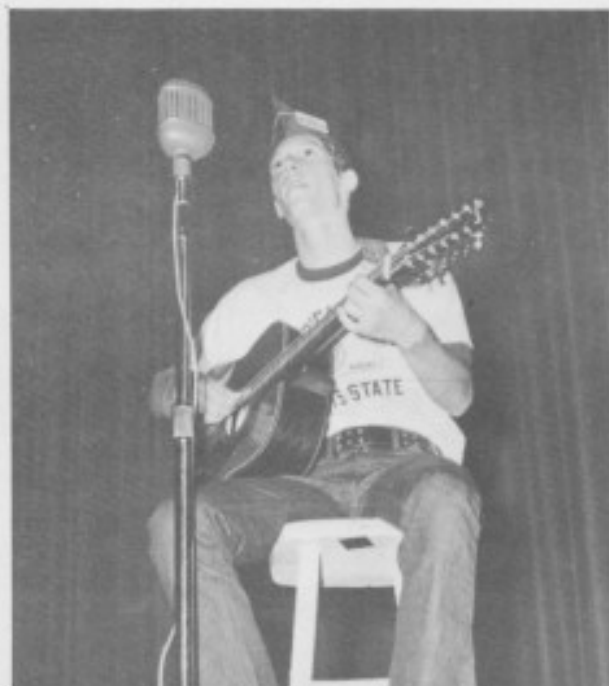

**RETREAT** With a growing esprit de corps "eyes right" at the reviewing stand, we proudly marched our way each evening to city and county awards.

# TALENT SHOW

Is there a Stater among us who will ever forget the Manhattan Pops Choir? Our hands ached from applauding their performance.

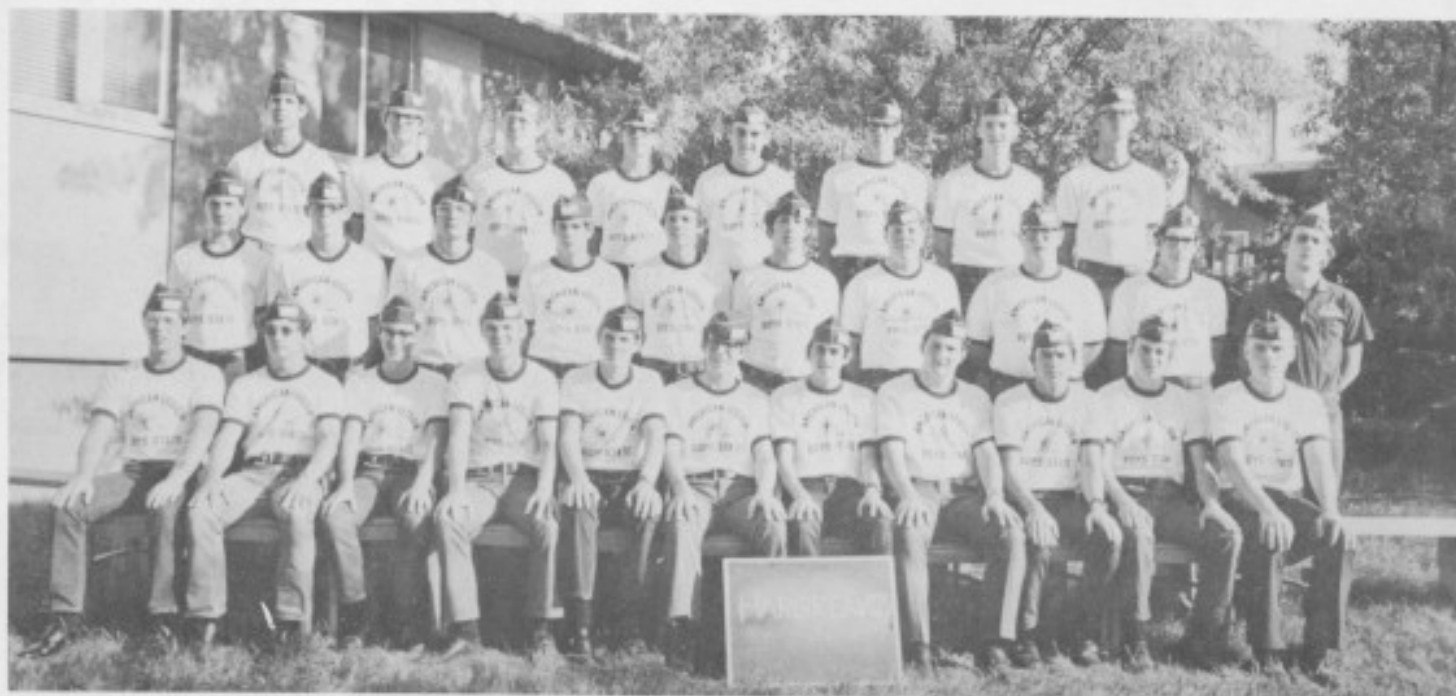

The following night's assembly was all ours — as with guitar, voice and comedy routines, we gave our own Talent Show.
