**BOYS' STATE**

## Director's Message

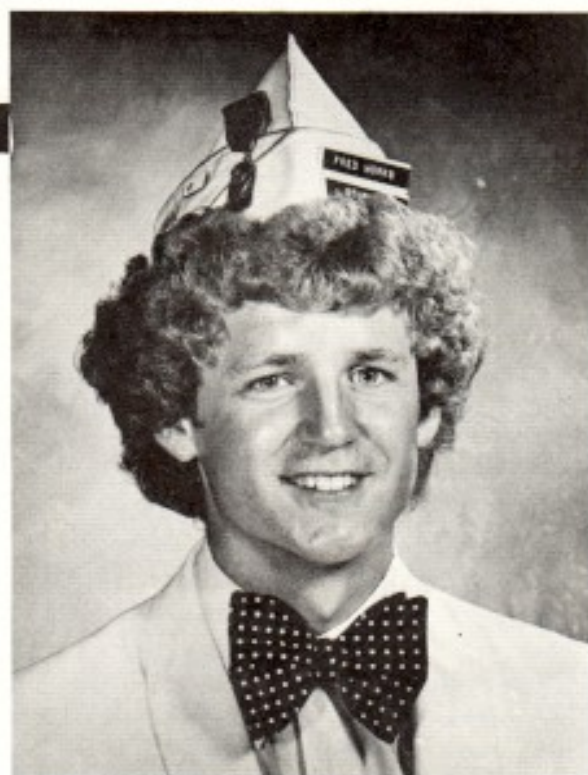

Congratulations to all the 1974 Staters. We sincerely hope your week of learning at Boys' State will continue to aid you in the years ahead.

A thank you to all Counselors who helped so much to make the 1974 session a success.

Thanks to all the Advisors who performed so effectively.

As your Director, the best to all of you.

Grant J. Lane

## Governor's Message

Fellow Staters:

The 1974 session of Boys' State has officially closed. There is now silence where once rang the enthusiastic cheers of party rallies; where once Staters marched in column form, cars and trucks busily speed by, and where once emotional speeches were delivered by hopeful candidates, silence prevails. Yes, for this year's delegates to Boys' State, these experiences and happy times are over. All that we have left are the memories, memories of a week that had a learning impact on all of us, memories to be cherished and preserved.

It is up to us to take this knowledge that we have acquired here at Boys' State and apply it to something worthwhile and useful. If we will do this, we will always be successful and happy in life.

Good luck to all of you in the future.

Sincerely  
Fred Works

# BOYS' STATE HISTORY

"To inculcate a sense of individual obligation to the community, state and nation" is the purpose of The American Legion Boys' State, originated in 1935 by the Department of Illinois (Department meaning 'state' in the American Legion organization).

Kansas; holding charter number 5, was among the first to institute the week-long government-in-action training program. Within these past 30 years, virtually every state American Legion, realizing the program's potential for educating youth in practical politics and governmental operation, has set up its own Boys' State.

Boys' State operates under the American Legion National Americanism Commission and is administered here by the executive committee of the Department of Kansas.

For 26 years, Kansas Boys' State was headquartered in Wichita. In 1963, in order to provide larger and more suitable accommodations, the Department moved Boys' State to the University of Kansas at Lawrence where it was housed in Templin and Lewis Halls, expanding the following session to include Hashinger Hall, and in 1968 a portion of Ellsworth Hall was used.

The program is no longer limited by physical facilities but instead is available to any high school senior-to-be who meets the academic standards and demonstrates leadership qualities. The number of delegates has doubled since the move to Lawrence. Civic and church groups as well as American Legion posts sponsor delegates.

Over 22,000 Kansas boys — 970 delegates this year bringing the total to 23,964 — have participated in Boys' State, performing during each session every function of government, in city, county and state levels.

Selected former staters — 100 of them — return as counselors to Boys' State, and are assisted in its direction by 50 Legionaire advisors and Executive Director, Grant Lane.

At the conclusion of each annual session, two Staters are elected 'Senators' to attend the American Legion Boys' Nation, which convenes later in the summer in Washington, D.C.

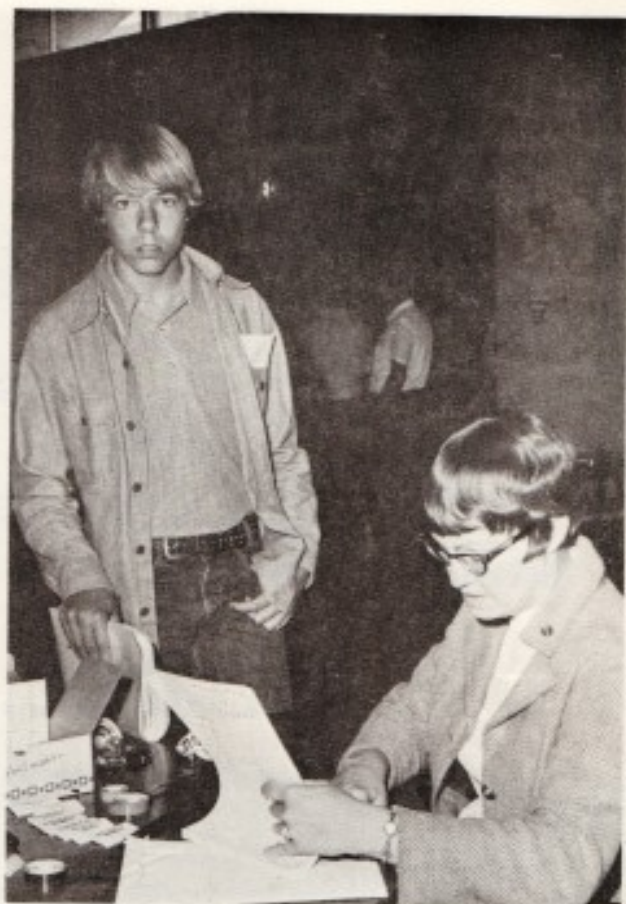

## WELCOME... to BOYS' STATE

Staters arriving by bus, train and car. Legionnaires met buses and trains Saturday and Sunday and delivered the boys to Lewis Hall for registration.

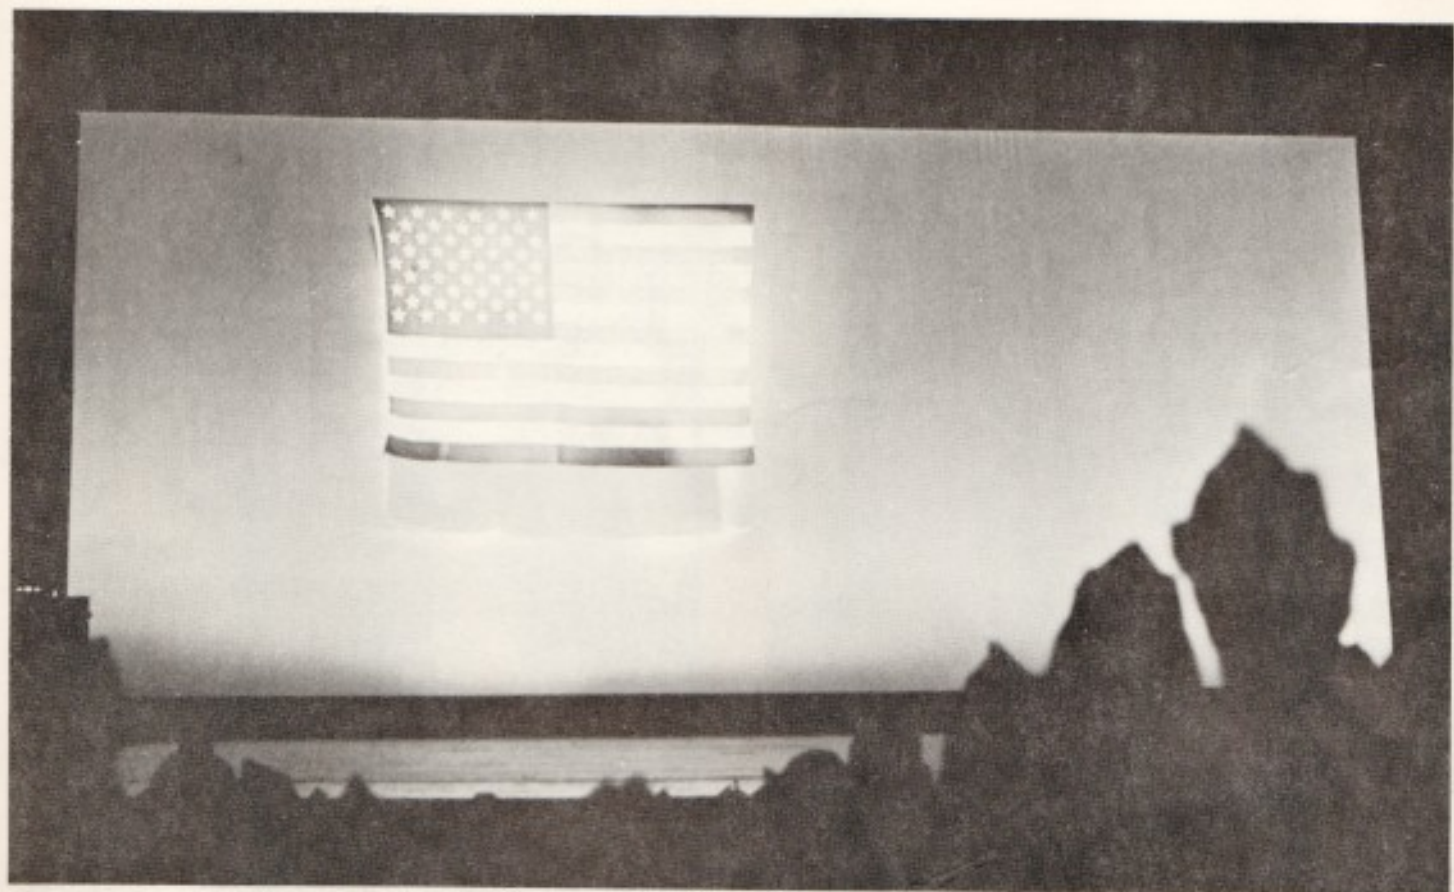

## GETTING SETTLED

We checked out our packets, bought our two T-shirts, were fitted for hats; and then after we'd unpacked and settled in our rooms, we were full-fledged Staters at last.

## OPENING SESSION

Retreat, passing in review, assembly. Legionnaires, visitors and staff helpers. All a part of Boys' State.

## CAMPAIGNS

Posters were hung from the ceilings with care—and plastered on the walls and the windows, too—as the primary races headed at a dead heat for the general election payoff.

City councils convened to meet and hear candidates for county offices, the senate and the house. State candidates addressed county meetings.

Whether we were running for county clerk or state senator, we each wanted to win. And it was every man for himself in the 24-hour-long primary campaign which ended with primary elections at 2:30 p.m. Tuesday.

We splashed out names across every available space—we used every play on words, every gimmick to make those names stick with the all-important voter.

We learned what it means, too, to remember names—to shake hands—to make a good impression when we spoke.

Perhaps most important, we learned that only one can win, but many must lose. And we who lost, proved our mettle as good citizens by working for our party and our candidates and exercising our votes in the general election.

For as we left Tuesday night's general assembly, whether victorious or defeated, we united behind our party standard...vowing victory for our candidates, our declared platform goals.

Roaring "two-bits, four-bits, six-bits, a dollar" we hauled down our primary signs and began the big push behind our candidates for Wednesday's general election.

# And MORE CAMPAIGNS

Both parties, the Federalists and Nationalists, campaigned for their party candidates. Each party chairman organized a vigorous campaign to win votes for their party.

## PRIMARY RESULTS

Today the delegates to the American Legion Boys' State of Kansas selected party nominees for major state offices in a primary election at their annual government-in-action training program on the campus of the University of Kansas. Chosen by the Nationalist Party to head their list of candidates as governor was Fred Works while the Federalist picked Steve Walton as their nominee for governor of Boys' State.

Voting in the primary culminated a tough battle for over 100 Staters competing for 18 positions on Wednesday's general election ballot. Other state candidates include the following:

Lt. Governor:

N. — Larry Williams

F. — Bill Grisolia

Attorney General:

N. — Bob Tabor

F. — Thomas Byers

Secretary of State:

N. — Charles Marguia

F. — Lance Willoughby

State Treasurer:

N. — Terry Force

F. — James Silver

State Auditor:

N. — Kevin Hobble

F. — Tim Fritzel

Commissioner of Insurance:

N. — Jim Cox

F. — Roger Bird

State Printer:

N. — Mark Orcutt

F. — Steve Doocy

The results were announced during the evening assembly. After the announcement the parties joined in support of their respective candidates in 20-minute rallies. The hall rocked with cheers and slogans as the parties competed to show their superiority.

"Federalist and Nationalist Candidates"

## YOUR VOTE COUNTED....

We voted in our cities Wednesday afternoon and our election boards tallied the votes so that the winners could be announced that night.

Then with the traditional request "Will you please escort the new Governor of Boys' State to the platform?" Grant Lane, Executive Director of Boys' State and Marvin Jardon, Associate Director, escorted the new Governor, Fred Works, to the platform.

## ....AND THE RESULTS

This afternoon the delegates to the 37th annual American Legion Boys' State of Kansas elected Fred Works as governor of the government-in-action program being held on the University of Kansas campus. The long awaited announcement came at the evening assembly in Murphy Hall.

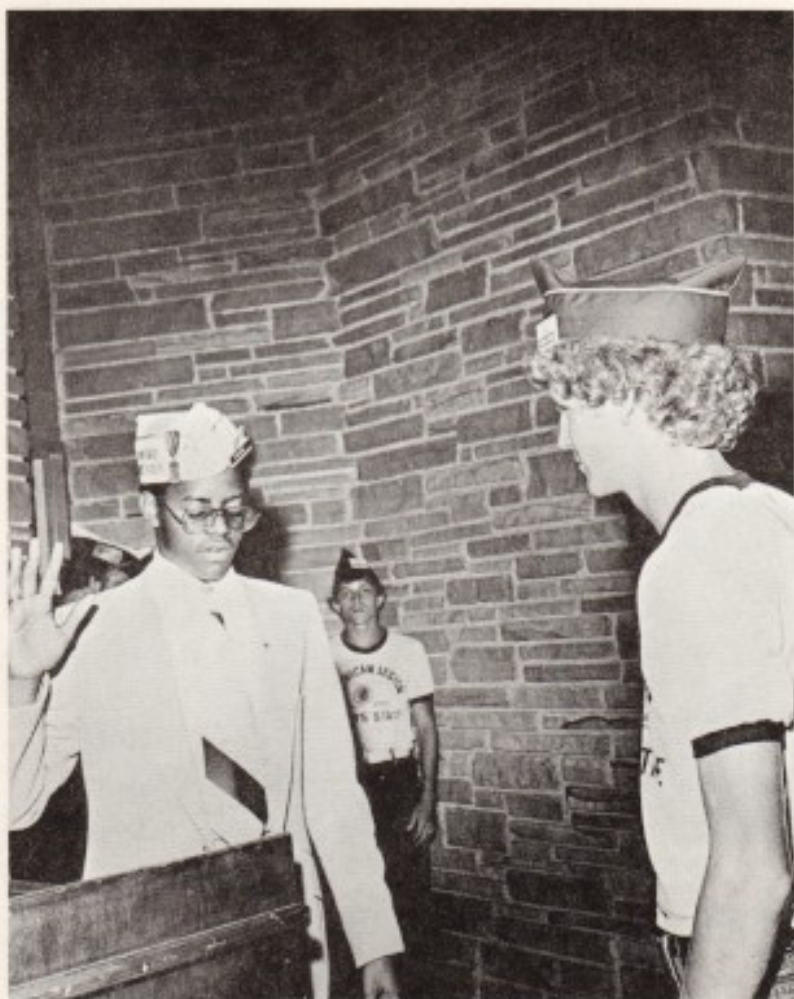

The Nationalist governor is from Humboldt where he lives with his parents, Mr. and Mrs. George Works. Mr. Works is a farmer and a State Representative from the 10th district.

Fred has been president of his high school Junior class and will be president of the Senior class next year. He has been vice-president and parliamentarian of his local 4H club. He has been a member of speech and debate two years and yearbook editor one year. Fred is also a member of the National Honor Society.

For the future, Fred is considering studying Business Management and Law at Kansas State.
