THE
AMERICAN
LEGION

BOYS STATE
OF KANSAS

Samsung American Legion Scholarship Program

The Samsung American Legion College Scholarship Program is open ONLY to high school juniors who are a direct descendant (i.e. child, grandchild, great-grandchild, or a legally adopted child) of a US Veteran who served during a period of war and is a delegate to either an American Legion Boys State or American Legion Auxiliary Girls State program.

Your application **MUST** be completed online at <http://www.legion.org/samsung-scholarship-application>. At the start of the process, you will be asked to create an account where your application will be saved, and you can continue to work on it until you are ready to submit the completed application.

NOTE: Applications will NOT be considered if they are not submitted via the online portal

Please review the entire application before submitting it. If a field is left blank, it will count against you. If you cannot answer a question, please be sure to put a reason in that field.

Please proofread your answers/essays in this application in addition to having at least one other person proofread your application. Spelling errors, or poor writing skills, will have a negative effect on your chances of receiving the scholarship. Incomplete, and/or unprofessional applications, will be rejected.

Each application will be judged on its own merit; so, include any information that makes you exceptional and a good candidate to win the award.

The Samsung Scholarship deadline for delegates attending The American Legion Boys State of Kansas is August 1, 2021 (**corrected from the information mailed**); the first day of our session.

The scholarship forms will be reviewed by members of the American Legion Department of Kansas later this summer. A state scholarship winner will then be announced. That winner will be forwarded on to compete on a national level for one of ten \$20,000 scholarships.

Questions regarding the Samsung Scholarship can be directed to the American Legion National Headquarters via www.legion.org/scholarships/contacts?select=samsung+scholarship. Please make sure to select the option for "Samsung Scholarship" from the drop-down menu.
